Following a national search, Jennifer Humphrey has been hired as the City of Fort Smith's deputy director of finance.

A selection committee of eight senior staffers participated in the national search, which garnered 20 applications. Five finalists emerged from the field. In addition to the interview process, senior staff members within the finance department met with Humphrey and concurred with her selection as an excellent organizational fit now and for the future.

A Magna Cum Laude graduate of Harding University in Searcy, Arkansas, Humphrey earned a Bachelor of Science – Public Accounting degree.

Humphrey has worked for [Winrock International](#), [MANA Nutritive Aid Products, Inc.](#), [Walmart Stores, Inc.](#), and served the [City of Russellville](#) as finance director. For the past two years, she has worked for the [National Institute for Excellence in Teaching](#) as the non-profit organization's director of finance and business operations and treasurer.

Jennifer has extensive experience in government accounting and understands [Governmental Accounting Standards Board \(GASB\) rules](#), and fund accounting principles.

The deputy director of finance is a new position, established as a priority of the board of directors for purposes of succession planning for the City of Fort Smith.

Humphrey began her duties on August 18.

ORDINANCE NO. _____

**AN ORDINANCE CLOSING AND VACATING AND ABANDONING
A PORTION OF AN ALLEY RIGHT-OF-WAY LOCATED IN EAST HEIGHTS
BLOCK 2 AND BLOCK 3, AN ADDITION TO THE CITY OF FORT SMITH, ARKANSAS**

WHEREAS, a petition was duly filed with the Board of Directors of the City of Fort Smith, Arkansas, July 16, 2014, asking the Board of Directors to vacate and abandon an alley right-of-way located in East Heights, Block 2 and Block 3, an addition to the City of Fort Smith, Arkansas, more particularly described as follows:

A 20' wide alley located between East Heights, Block 2, Lot 5 and East Heights, Block 3, Lot 1, an addition to the City of Fort Smith, Sebastian County, Arkansas, according to the plat filed of record March 17, 1906.

WHEREAS, after notice as required by law, the Board of Directors has at the time and place mentioned in the notice duly published as required by law, heard all persons as desiring to be heard on the questions, and has ascertained that the said alley right-of-way as described above has heretofore been dedicated to the public use as an alley right-of-way and at this time is no longer required for the corporate purposes, and that said alley right-of-way is of no practical purpose or general purpose to the citizens of Fort Smith and it is in the best interest of the citizens of Fort Smith that the alley right-of-way be closed; and that the public interest and welfare will not be adversely affected by the abandonment of the said alley.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF DIRECTORS OF THE CITY OF FORT SMITH, ARKANSAS, THAT:

SECTION 1: The City of Fort Smith hereby releases, vacates and abandons all of its rights, title and

interest, together with the right of the public generally, in and to the alley designated as follows:

A 20' wide alley located between East Heights, Block 2, Lot 5 and East Heights, Block 3, Lot 1, an addition to the City of Fort Smith, Sebastian County, Arkansas, according to the plat filed of record March 17, 1906.

SECTION 2: A copy of this Ordinance duly certified by the City Clerk shall be filed in the Office of the County for the Fort Smith District of Sebastian County, Arkansas, and recorded in the deed records of said county.

SECTION 3: This Ordinance shall take effect and be in effect from and after its passage.

From: Wally Bailey, Director of Development Services
Date: 8/15/2014
Re: Request for Abandonment of an Alley Right-of-Way
East Heights, Block 2 and Block 3

Andrew Malouf of 3620 ½ Park Avenue has submitted a petition to abandon a 20' x 131' alley right-of-way located between East Heights, Block 2, Lot 5 and East Heights Block 3, Lot 1. Mr. Malouf owns the properties on both sides of the alley, which includes 3620/3620 ½ Park Avenue and 3616 Park Avenue. Mr. Malouf has requested the closing so that he can install a privacy fence at the southern end of the alley to prevent people from walking between his properties. His application indicates he is concerned for his family's safety due to people using the alley who may be involved with illegal drugs.

Enclosed is a copy of the petition to abandon the alley, map showing the location of the alley, a vicinity map, and photographs of the alley. (See Exhibits A, B, C & D.)

Staff contacted franchise utilities and appropriate city departments regarding any ongoing or future interests they may have in the alley. The city's utility department indicated that there is an existing sewer line in the alley and would require an easement. AOG also advised us that they have facilities in the alley and would also require an easement. Enclosed are copies of the executed easements signed by Mr. Malouf that will provide a full width easements for construction, maintenance and operation of the sanitary sewer line and the franchise utility infrastructure. (See Exhibit E and F.)

Staff also notified property owners within 300 of the proposed abandonment. We have not received any objections or concerns from surrounding property owners or citizens regarding the requested alley closing.

Additionally, in keeping with the Board's policy, all applicants requesting right-of-way abandonments are required to sign a Memorandum of Understanding (MOU). An MOU stipulates the applicant or their assigns will not make any claims for compensation in the event the city exercises the power of eminent domain to reclaim the abandoned right-of-way. Enclosed is a copy of the MOU executed by the property owner. (See Exhibit G.)

Enclosed for the board's consideration is an ordinance authorizing the abandonment of the alley right-of-way. If approved, the easements and the Memorandum of Understanding will be filed with the ordinance

If you have any questions regarding this matter, please do not hesitate to contact me.

On _____, 2014, the Board of Directors of the City of Fort Smith passed Ordinance No. _____ closing, vacating and abandoning a portion of an alley right-of-way located in East Heights, between Lot 1, Block 3 and Lot 5, Block 2, an addition to the City of Fort Smith, Sebastian County, Arkansas, more particularly described as follows:

The twenty (20') wide alley lying between Lot 1, Block 3 and Lot 5, Block 2 of East Heights, an addition to the City of Fort Smith, Sebastian County, Arkansas, according to the plat filed of record March 17, 1906.

For good and valuable consideration, the receipt of which is hereby acknowledged, Andrew Malouf, agrees that in the event the City of Fort Smith, condemns all or a portion of the lands and buildings contiguous to said alley right-of-way and owned by Andrew Malouf, his successors or assigns, under the power of eminent domain, that the property owner, his successors or assigns, will make no claim to compensation for the value of the abandoned alley right-of-way described above. Nothing contained herein shall preclude Andrew Malouf, or his successors or assigns from claiming compensation for improvements situated on the abandoned alley right-of-way in the event of condemnation. By way of example, and example only, if the City condemns the Andrew Malouf property and the total land condemned is 100,000 square feet and the abandoned alley right-of-way constitutes 10,000 square feet of that total, then the value of the land shall be reduced by 10% for condemnation compensation purposes. This Memorandum of Understanding shall be binding on Andrew Malouf and his successors or assigns.

In witness whereof, this document is executed this 15th day of July, 2014.

MEMORANDUM OF UNDERSTANDING (MOU)

Between
City of Fort Smith
and
The Degen Foundation

I. PURPOSE & SCOPE

The purpose of this MOU is to clearly identify the roles and responsibilities of each party as they relate to the EDA grant being sought for the Arkansas College of Osteopathic Medicine in Fort Smith, Arkansas.

II. BACKGROUND

Fort Smith along with the Fort Smith Regional Healthcare Foundation (501 (c) 3) and The Degen Foundation also a (501 (c) 3) corporation are proposing to construct Arkansas' first college of osteopathic medicine on a 200 acre campus. The first phase of the medical school campus includes an approx. 100,000 square foot Osteopathic Medical School, a campus green, and a main entry. Future development space is being planned with room for more buildings, a medical office park, and commercial and retail development. The first phase of the 100,000 square foot school will also include road improvements, extension of utility services to the building, and a parking lot. The EDA proposal includes assistance with roads, a parking lot, and extension of utility services. The 200 acres for the site has already been donated by the Fort Chaffee Redevelopment Authority.

III. City of Fort Smith RESPONSIBILITIES UNDER THIS MOU

City of Fort Smith, as shown on Exhibit A attached hereto, will be committing a match of at least 1.5 million dollars in public infrastructure work. City of Fort Smith will own the utilities and roads. The City of Fort Smith will act as the point of contact with the EDA on all matters relating to the grant if awarded.

IV. The Degen Foundation RESPONSIBILITIES UNDER THIS MOU

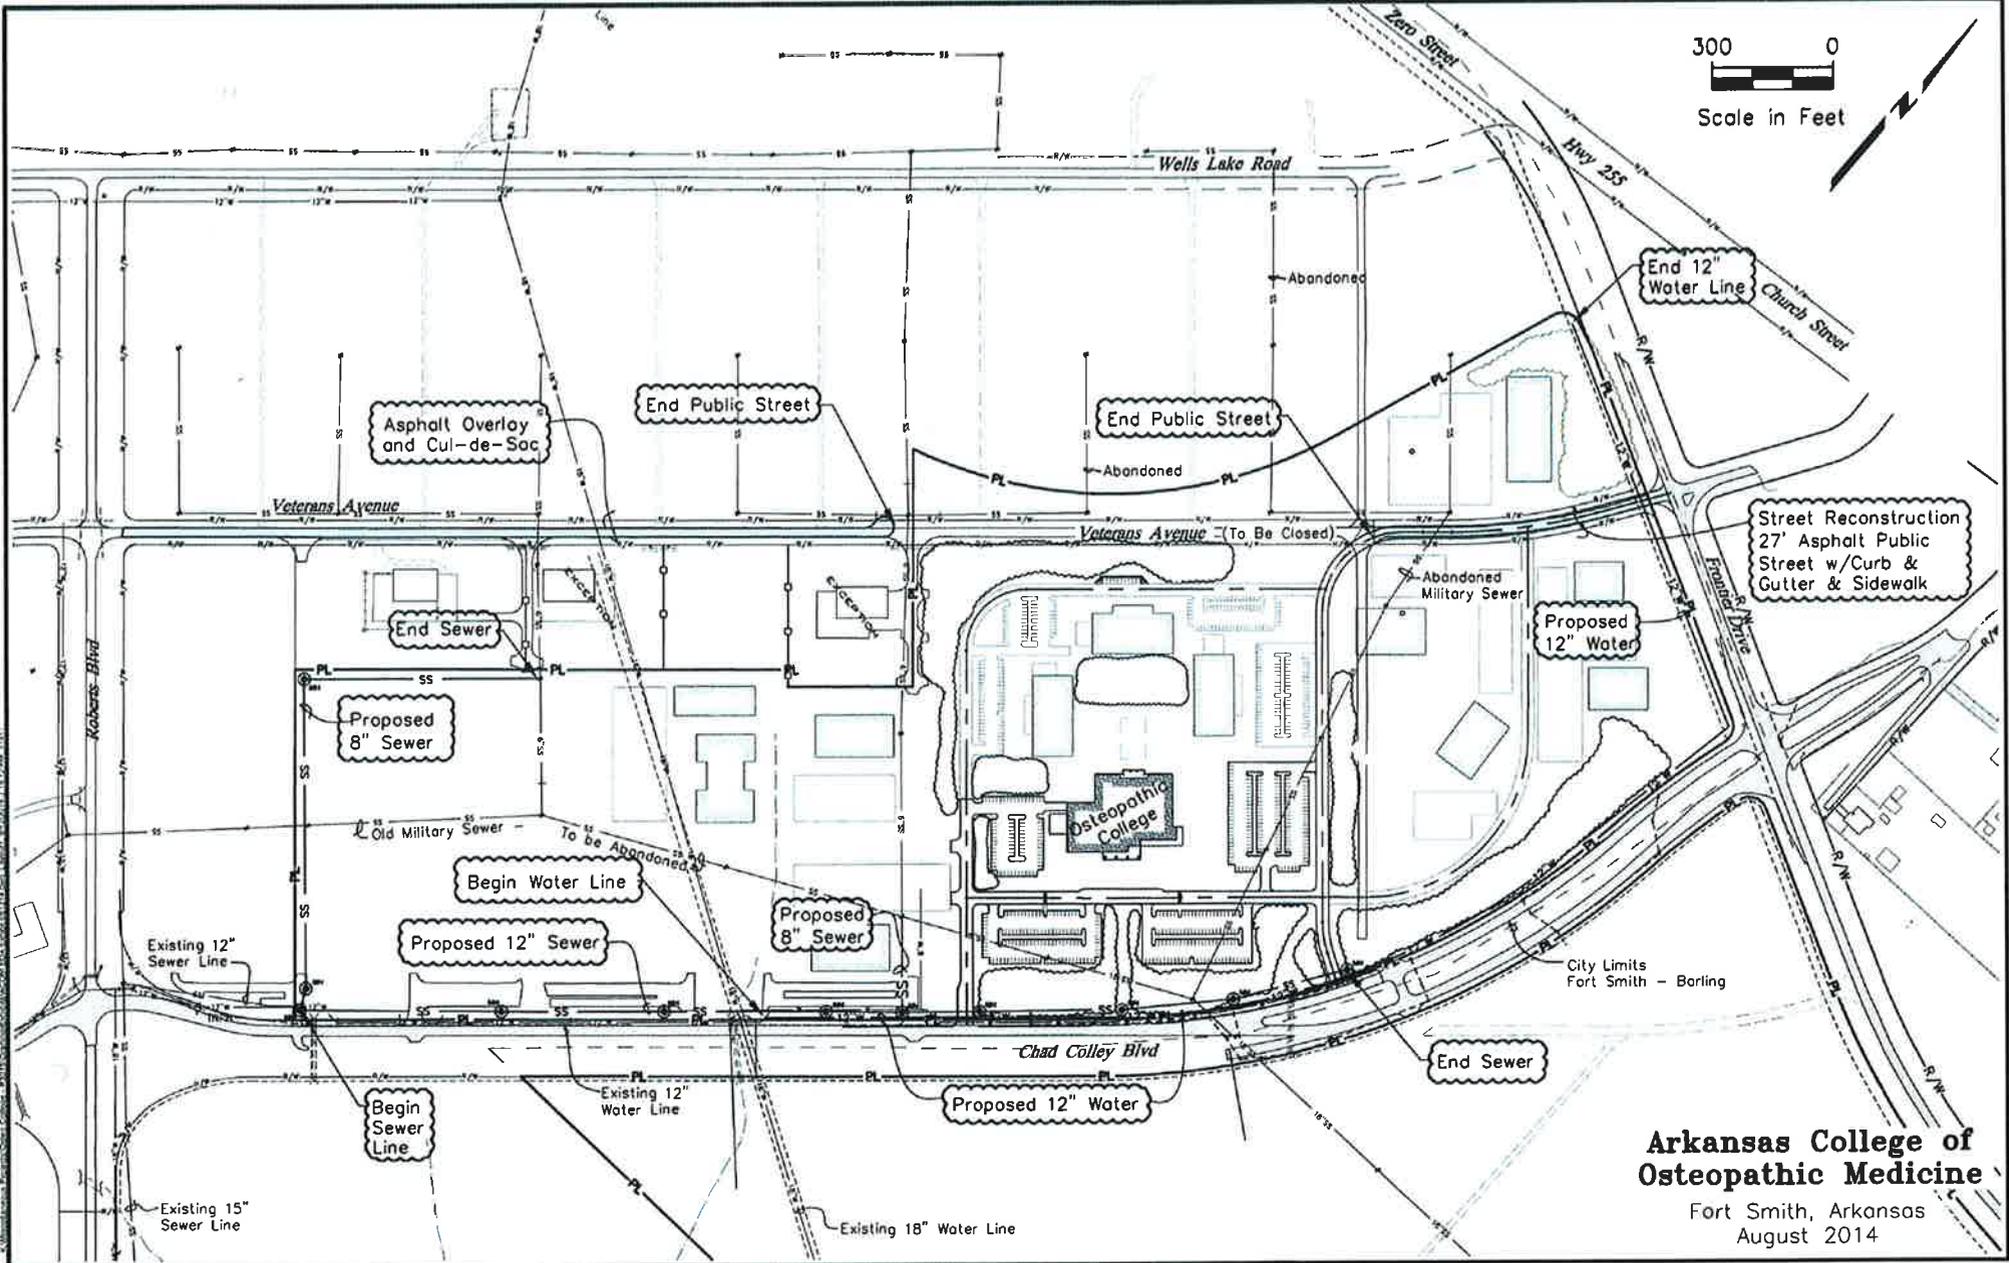

The parking lot will be owned by The Degen Foundation. The Degen Foundation understands that the City of Fort Smith is providing the public infrastructure as match for the EDA grant and will be the point of contact with the EDA on all matters relating to the grant, if funded.

MEMORANDUM

August 15, 2014

TO: Mayor and Board of Directors

FROM: Ray Gosack, City Administrator

SUBJECT: Arkansas College of Osteopathic Medicine

Earlier this year, the Degen Foundation announced its plans to develop the Arkansas College of Osteopathic Medicine. The college is planning to enroll its first class of medical students in fall 2016. Future plans envision other health care education programs. The college will be constructed on 200 acres at Chaffee Crossing donated to the college by the Fort Chaffee Redevelopment Authority. Two topics which require board action pertain to public infrastructure work and a grant from the U.S. Economic Development Administration.

PUBLIC INFRASTRUCTURE WORK

The development of this site necessitates certain public infrastructure work by the City of Fort Smith. That work as shown on the attached drawing is:

- 1) Water line improvements estimated to cost \$450,000.
- 2) Sanitary sewer improvements estimated to cost \$330,000.
- 3) Reconstruction of approximately 750' of Veterans Ave. at the northern area of the campus estimated to cost \$375,000.
- 4) Overlay of Veterans Ave. south of the campus to Roberts Blvd. estimated to cost \$350,000. This project

includes constructing a cul-de-sac adjacent to the campus.

EDA GRANT

The Western Arkansas Planning and Development District has been in discussions with the medical college about obtaining a grant from the U.S. Economic Development Administration (EDA) for development of the college. EDA has preliminarily indicated that it has \$1.5 million of grant funding available for the medical college. The grant requires a local match. The city's infrastructure projects identified above could meet the match requirement. If approved, the grant would be awarded to the City of Fort Smith and The Degen Foundation, and administered by WAPDD. The grant funds would be used for:

- Widening of Chad Colley Blvd. adjacent to the campus
- Construction of a parking lot on the campus

BOARD ACTION

Attached for the board's consideration are three items to support development of the Arkansas College of Osteopathic Medicine.

- 1) A resolution authorizing the submittal of a grant application to the U.S. Economic Development Administration.
- 2) A resolution approving a memorandum of understanding between The Degen Foundation and the City of Fort Smith regarding the public infrastructure projects to be undertaken by the city. This MOU is a requirement of the grant.
- 3) An ordinance appropriating the funds for the infrastructure work to be undertaken by the city. This is necessary to demonstrate to EDA that the city has available the matching funds for the grant.

I recommend approval of all three items. The investment of \$1.5 million by the city and another \$1.5 million by EDA will support the development of the Arkansas College of Osteopathic Medicine. The college will improve our region's healthcare, create new higher-paying jobs, and boost our economy.

From: Wally Bailey, Director of Development Services
Date: 8/14/2014
Re: Resolution setting a public hearing date for a petition to vacate a portion of South 10th Street right-of-way in Fairfax Subdivision

We have received the enclosed application from Tim Risley, agent, for Baldor Electric Company to vacate a portion of South 10th Street located in the Fairfax subdivision. The portion of South 10th Street proposed for closure is between lots 67 and 68 and lot 14, and south of Baldor Addition, Lot 1. All lots adjacent to the proposed street closure are owned by Baldor Electric Company. Copies of the application, vicinity map, and a map showing the location of the proposed street closure are enclosed.

Baldor is requesting the abandonment of the 90' length of right-of-way so that it can be converted to green space for use by the company.

In accordance with Arkansas law, the Board of Directors is required to set a public hearing on the proposed abandonment. Staff recommends that the Board of Directors set a public hearing date for September 2, 2014, for the purpose of reviewing this matter. Enclosed is a resolution for the Board's consideration.

In response to the petition to abandon the street right-of-way, staff has contacted all franchise utility companies and appropriate city departments relative to any ongoing or future interests that they may have within the street right-of-way. We will also notify all property owners within 300 feet of the proposed abandonment area.

If you have any questions regarding this matter, please do not hesitate to contact me.

From: Wally Bailey, Director of Development Services
Date: 8/15/2014
Re: Resolution setting a public hearing date for a petition to vacate a portion of Veterans Avenue in Chaffee Crossing

We have received the enclosed application from Tim Risley, agent, for The Degen Foundation to vacate approximately 1,100 linear feet of Veterans Avenue in Chaffee Crossing.

The abandonment will facilitate the proposed Arkansas College of Osteopathic Medicine that will be located on Chad Colley Boulevard and south of Frontier Drive. The application indicates that the closure is requested because the portion of right-of-way proposed for abandonment bisects the medical school site and is of no value to the school's overall master plan. Copies of the application and a map showing the location of the proposed street closure are enclosed. The applicant has notified the industries at Chaffee Crossing of the requested street closure. (See exhibits A and B.)

The section of Veterans Avenue proposed for closure is currently used as the route for trucks which serve the industries shown on the attached Exhibit C. Closing of Veterans Avenue will require the trucks to be rerouted east along Frontier Rd, then to Taylor Ave, then to Fort Chaffee Boulevard and then back west along Roberts Boulevard. This rerouting as shown on the exhibit will add an additional round trip mileage between 4 and 5 miles.

Routing the trucks down Wells Lake Road is not an option due to the possible high school and/or expansion of the medical school further west. Routing the trucks down Chad Colley Boulevard is also not an option due to the proximity of the medical school. However, Mitsubishi wind turbine trucks would still have to go this way because of significant truck turning radius requirements. Routing trucks down Massard Road is also not an option due to the significant residential development in that area.

In accordance with Arkansas law, the Board of Directors is required to set a public hearing on the proposed abandonment. Staff recommends that the Board of Directors set a public hearing date for September 2, 2014, for the purpose of reviewing this matter. Enclosed is a resolution for the Board's consideration.

In response to the petition to abandon the street right-of-way, staff has contacted all franchise utility companies and appropriate city departments relative to any ongoing or future interests that they may have within the street right-of-way. We will also notify all property owners

within 300 feet of the proposed abandonment area as well as the industries at Chaffee Crossing who may be affected by the proposed closure.

If you have any questions regarding this matter, please do not hesitate to contact me.

Property Owner(s)/Authorized Agent: *I/we certify under penalty of perjury that I am/we are the owner(s) of the property that is subject of this application and that I/we have read this application and consent to its filing.*

Note: If application is signed by authorized agent, all owners must sign and submit "Authorization of Agent" form.

Application Checklist:

- A list from the Sebastian County Assessor's Office showing all property owners within 300 feet of all perimeter points of the tract being considered for abandonment. (*County Assessor is located in Room 107 of the Sebastian County Courthouse*).
- Abstractor's Certificate of Ownership stating names of all owners of property abutting the property to be vacated
- Petition with signatures of all abutting property owners
- Metes and Bounds legal description of the area to be vacated (Provide hard copy and CD containing legal description in MS Word)
- Hard copy and PDF of survey of the site depicting the perimeter property lines and area within the property to be vacated
- Application Fee of \$150.00. This fee is non-refundable.

The Planning Department will post a sign like the one shown below at area proposed for vacation. Once the sign is posted, it must be left in place until the vacation is approved by the Board of Directors. The planning staff will remove the sign the following day after by the Board of Directors meeting.

AUTHORIZATION OF AGENT

If an agent is acting on behalf of the owner(s), all owners must sign in the space provided. This form is necessary only when the person representing this request does not own all the property.

RE: Veterans Ave - Chaffee Crossing

Gentlemen,

As I'm sure you are aware, Chaffee Crossing will be the new home of the Arkansas College of Osteopathic Medicine. The college site is 200 acres along the east and west sides of Chad Colley Boulevard with the proposed DO school along the west side.

In order to place the D.O. School and the three anticipated Nursing, Dental and O.T. /P.T. Schools in a preferred quad arrangement, the College intends to close Veteran's Ave from Frontier to the School's southwest corner. (See attached)

Clearing, rough grading and dirt work for the College pad will commence in mid-September. We are already in process on formally closing this portion of Veterans Ave.

We solicit your support of the medical school project and the positive impact it will have on the greater Fort Smith community AND wish to give you an early "heads-up" on our plans regarding Veterans Avenue.

If you have questions or concerns, please don't hesitate to call our office.

Sincerely,

Tim A. Risley, AIA

Fred,

We mailed you a letter on July 22nd explaining the construction of the Arkansas College of Osteopathic Medicine and the need to close part of Veterans Avenue.

The City has requested that we make you aware of the proposed rerouting. Trucks will be rerouted east along Frontier Road, then to Taylor Avenue, then to Fort Chaffee Blvd. and then back west along Roberts Blvd. Routing them down Wells Lake Road is not an option due to the possible high school and/or expansion of the medical school further west. Routing the trucks down Chad Colley Blvd. is also not an option due to the proximity of the medical school.

If you have any questions, please let us know.

Memo

To: Ray Gosack, City Administrator
From: Wally Bailey, Director of Development Services
Date: 8/15/2014
Re: Request for Abandonment of Sewer Line Easements
Horseshoe Ridge Subdivision

The City is in receipt of the enclosed request from R.A. Young Properties Limited Partners to abandon two sewer easements within the proposed Horseshoe Ridge Subdivision. The existing sewer lines conflicted with the developer's layout for the new 24 lot single-family subdivision that is currently being developed on approximately 19 acres north of Cliff Drive and west of Leigh Avenue. The developer has completed relocation of the sewer lines as part of the subdivision platting process, and new easements were dedicated with the plat. The enclosed map shows the location of the easements proposed for abandonment.

There are no objections to the request from City's Utility Department. Enclosed for the Board's consideration is an ordinance authorizing the abandonment of the easements.

Please contact me if you have any questions regarding this item.

Enc.

I understand that I shall bear the expense of publication of notice given by the City in addition to the expense of publication of the ordinance after adoption by the Board of Directors.

INTER-OFFICE MEMO

TO: Ray Gosack, City Administrator

FROM: Stan Snodgrass, P.E., Director of Engineering

DATE: August 14, 2014

SUBJECT: Jenny Lind Road & Ingersoll Avenue Widening
Project No. 07-01-A, AHTD Job No. 040471
Acquisition on Tract 51 – Pic-n-Tote

We are nearing completion of the right of way acquisition on the Jenny Lind Road/Ingersoll Avenue project. The demolition contract to remove the structures that were acquired is generally complete and work for relocation of the franchise utilities has begun. The roadway construction is scheduled to begin later this year.

On this project the City is benefitting from \$7.2 million in federal funds. As such, the acquisition of the right of way is subject to the Uniform Real Property Acquisition and Relocation Assistance Act. The firm of Universal Field Services is handling the acquisition of the right of way given the detail and complexities that are associated with these federal requirements.

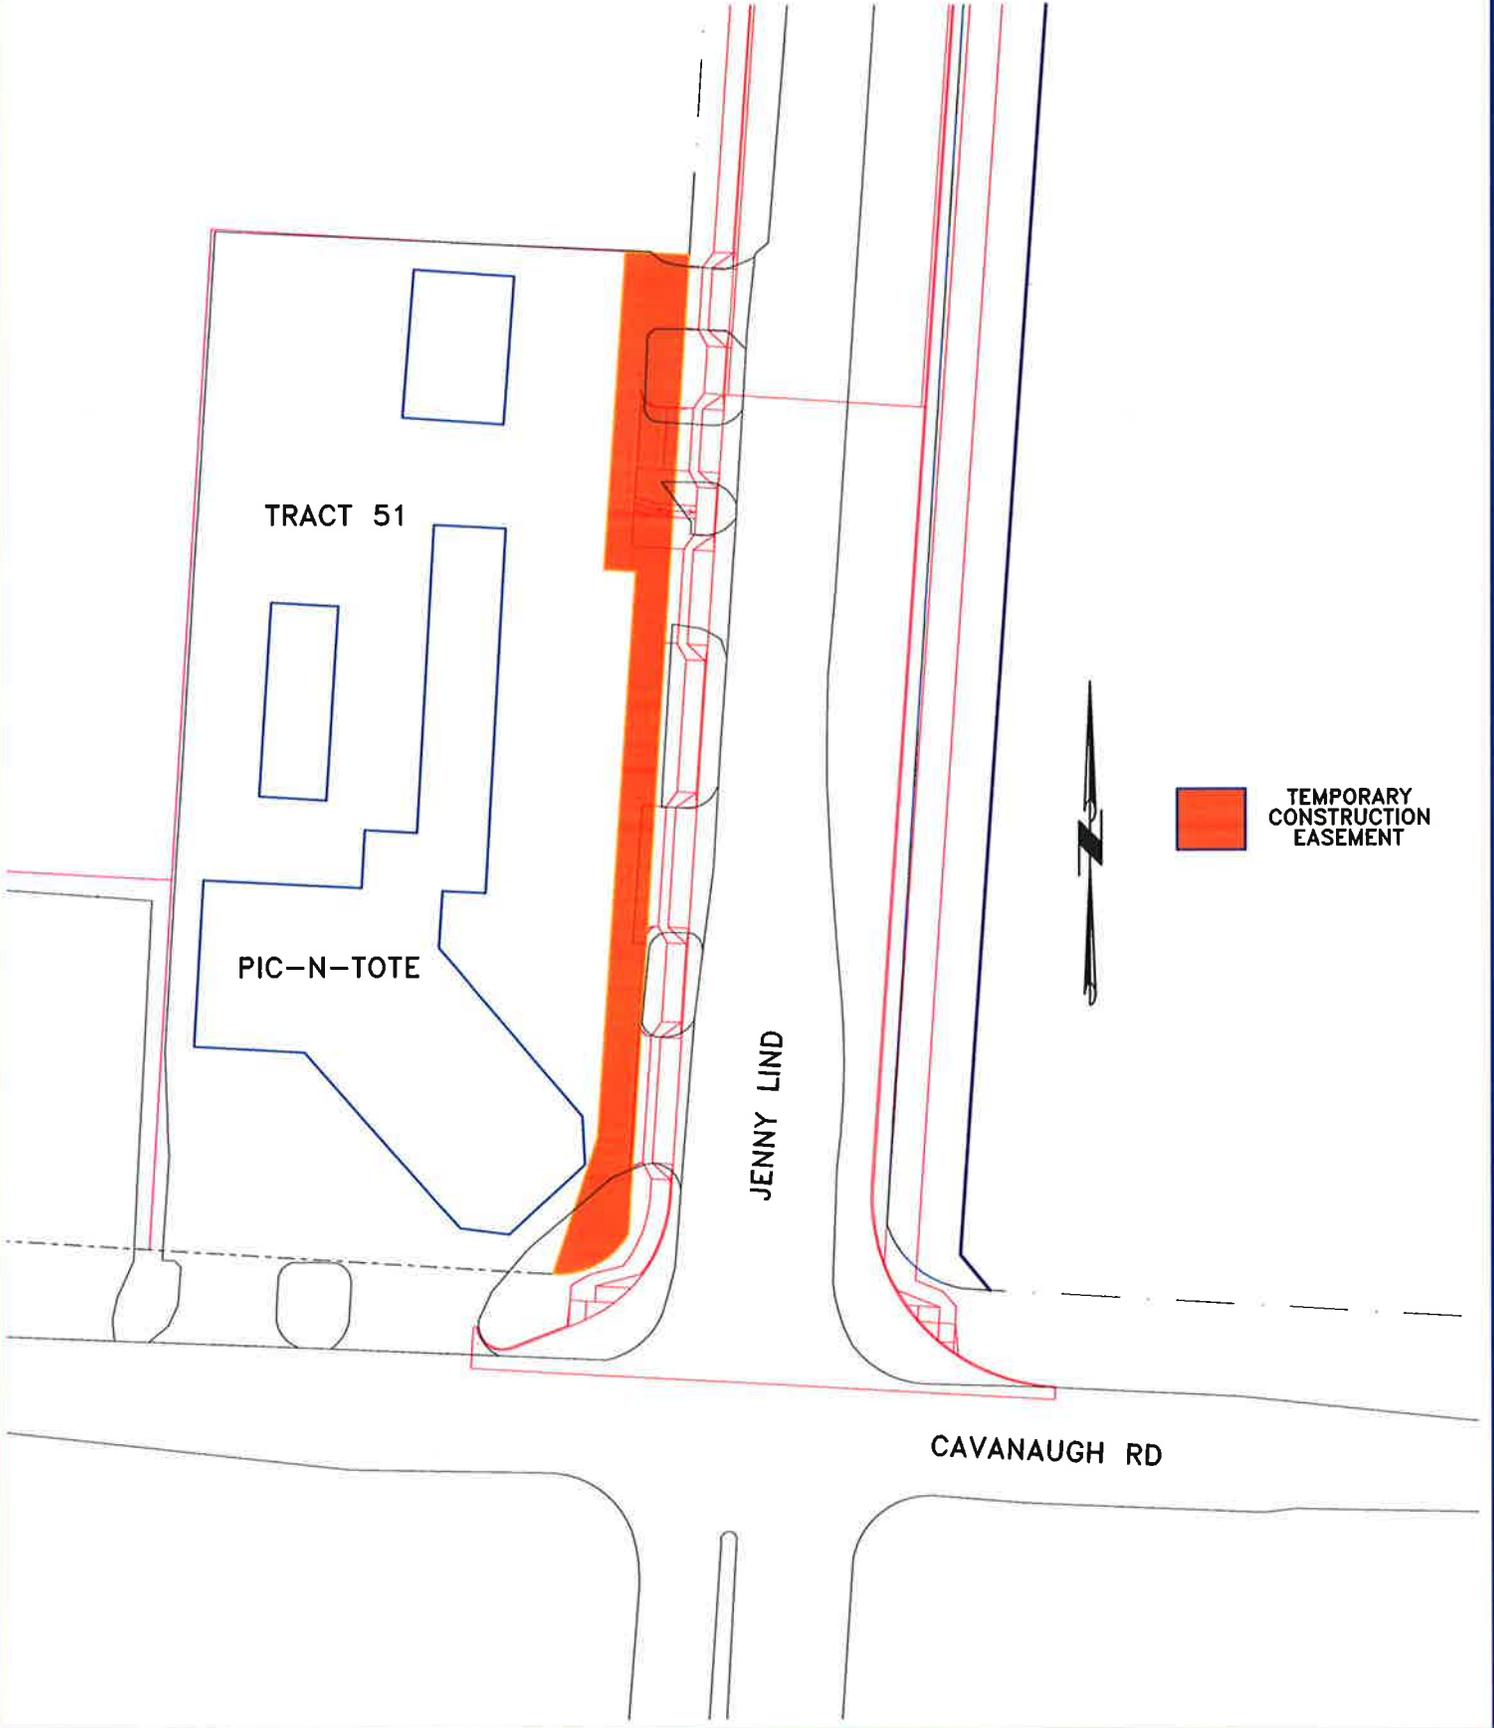

Tract 51 is the Pic-n-Tote located at the northwest corner of Jenny Lind Road and Cavanaugh Road as shown on the attached exhibit. No additional permanent right of way is being acquired at this property as the widening of Jenny Lind Road is primarily on the opposite side of the street at this location. However, a temporary construction easement is needed to provide a temporary working area for utility adjustment, installation of the new curb/gutter and sidewalk, and to connect the driveways to the new street section. Universal Field Services has been unsuccessful in acquiring the temporary construction easement on this tract. Also a letter from Daily and Woods was sent to the owner on July 1 and there has been no response to date.

At this time we are requesting authorization to proceed with the eminent domain process to acquire this temporary construction easement. We are now at a point where we need to obtain possession of this easement to prevent delaying construction of the project. We will attempt to work with the property owner to reach a settlement on this tract without going to court.

Attached is a Resolution to accomplish the above recommendation. I recommend the Resolution be adopted by the Board at the next regular meeting.

Re: Jenny Lind Road and Ingersoll Avenue Widening Project #07-01-A
Property Acquisition from Regions Bank, Tract No. 31

Dear Mr. Snodgrass:

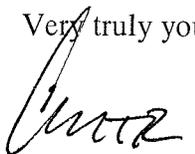

Regions Bank is the owner of property which is being acquired for the above referenced project. For a number of months we have been working with Regions in an effort to acquire a permanent right-of-way, utility easement, and a temporary construction easement for the project. We attach a property acquisition map of the property at issue. By Resolution No. R-89-14, the Board of Directors authorized paying the appraised value, \$14,800.00, for the rights-of-way on Regions' property.

In working with Regions' representatives in this matter, we determined that two security lights and a directional sign were within the utility easement we were seeking to acquire from Regions. Those items (two security lights and one directional sign) were not included in the appraisal of Regions' property. We requested Regions to provide us an amount relative to relocating the two security lights and the directional sign. Regions has presented an offer in the amount of \$14,872.00 to relocate those items. We include a breakdown from Regions setting forth its calculation for relocating those items.

We understand the City's administration recommends acceptance of Regions' offer of \$14,872.00 to relocate the lights and directional sign from the utility easement to be acquired. We concur. We are enclosing a resolution which may be used to refer the matter to the governing body for decision.

Thank you for your attention to this matter.

Very truly yours,

Interoffice Memorandum

TO: Ray Gosack, City Administrator
FROM: Greg Riley, Director of Street/Traffic Control
SUBJECT: Dump Truck with Snow Plow Purchase
DATE: August 15, 2014

One of our ongoing service objectives is improve the efficiency of the snow removal program by equipping trucks with snow plows. We currently have two older trucks that have been outfitted with plows and carry older spreader equipment and two older trucks with spreader equipment. This was our deployment to the streets in the past years snowfall which has been an improvement over previous years. This year we have taken delivery of two new fully outfitted plow trucks with plows and spreaders that will be a huge improvement over the existing trucks. They have larger plows and more sand carrying capacity and will allow for pre-wetted application of sand/salt for quicker activation. These trucks were part of the 2013 budget and are now ready to go.

The ultimate goal is to have four of these trucks and the third was part of the 2014 budget and bids have been received for this truck. The fourth truck will be presented as part of the 2015 budget. These trucks are also used for the day to day work that we do but are adaptable and designed to handle the snow events.

This truck will be used in street drainage and replaces a 2000 model dump truck. Three bids were received and Carco International's bid of \$126,487.24 was the low bid. Funds are available in the Street Department sinking fund for this purchase.

Interoffice Memorandum

TO: Ray Gosack, City Administrator
FROM: Greg Riley, Director of Street/Traffic Control
SUBJECT: One Ton Truck Purchase
DATE: August 15, 2014

The 2014 budget include the purchase of two one ton flat-bed dump trucks. One for street maintenance 5304 and one for sidewalks 5305. These are replacing older trucks. A 1999 and a 2002 model.

Four bids were received and Dunn Ford's bid of \$38,797.32 was the low bid. Funds are available in the Street Department sinking fund for this purchase.

SUBJECT: Candlestick (Station 19) Force Main Replacement
Project Number 11-07-C1

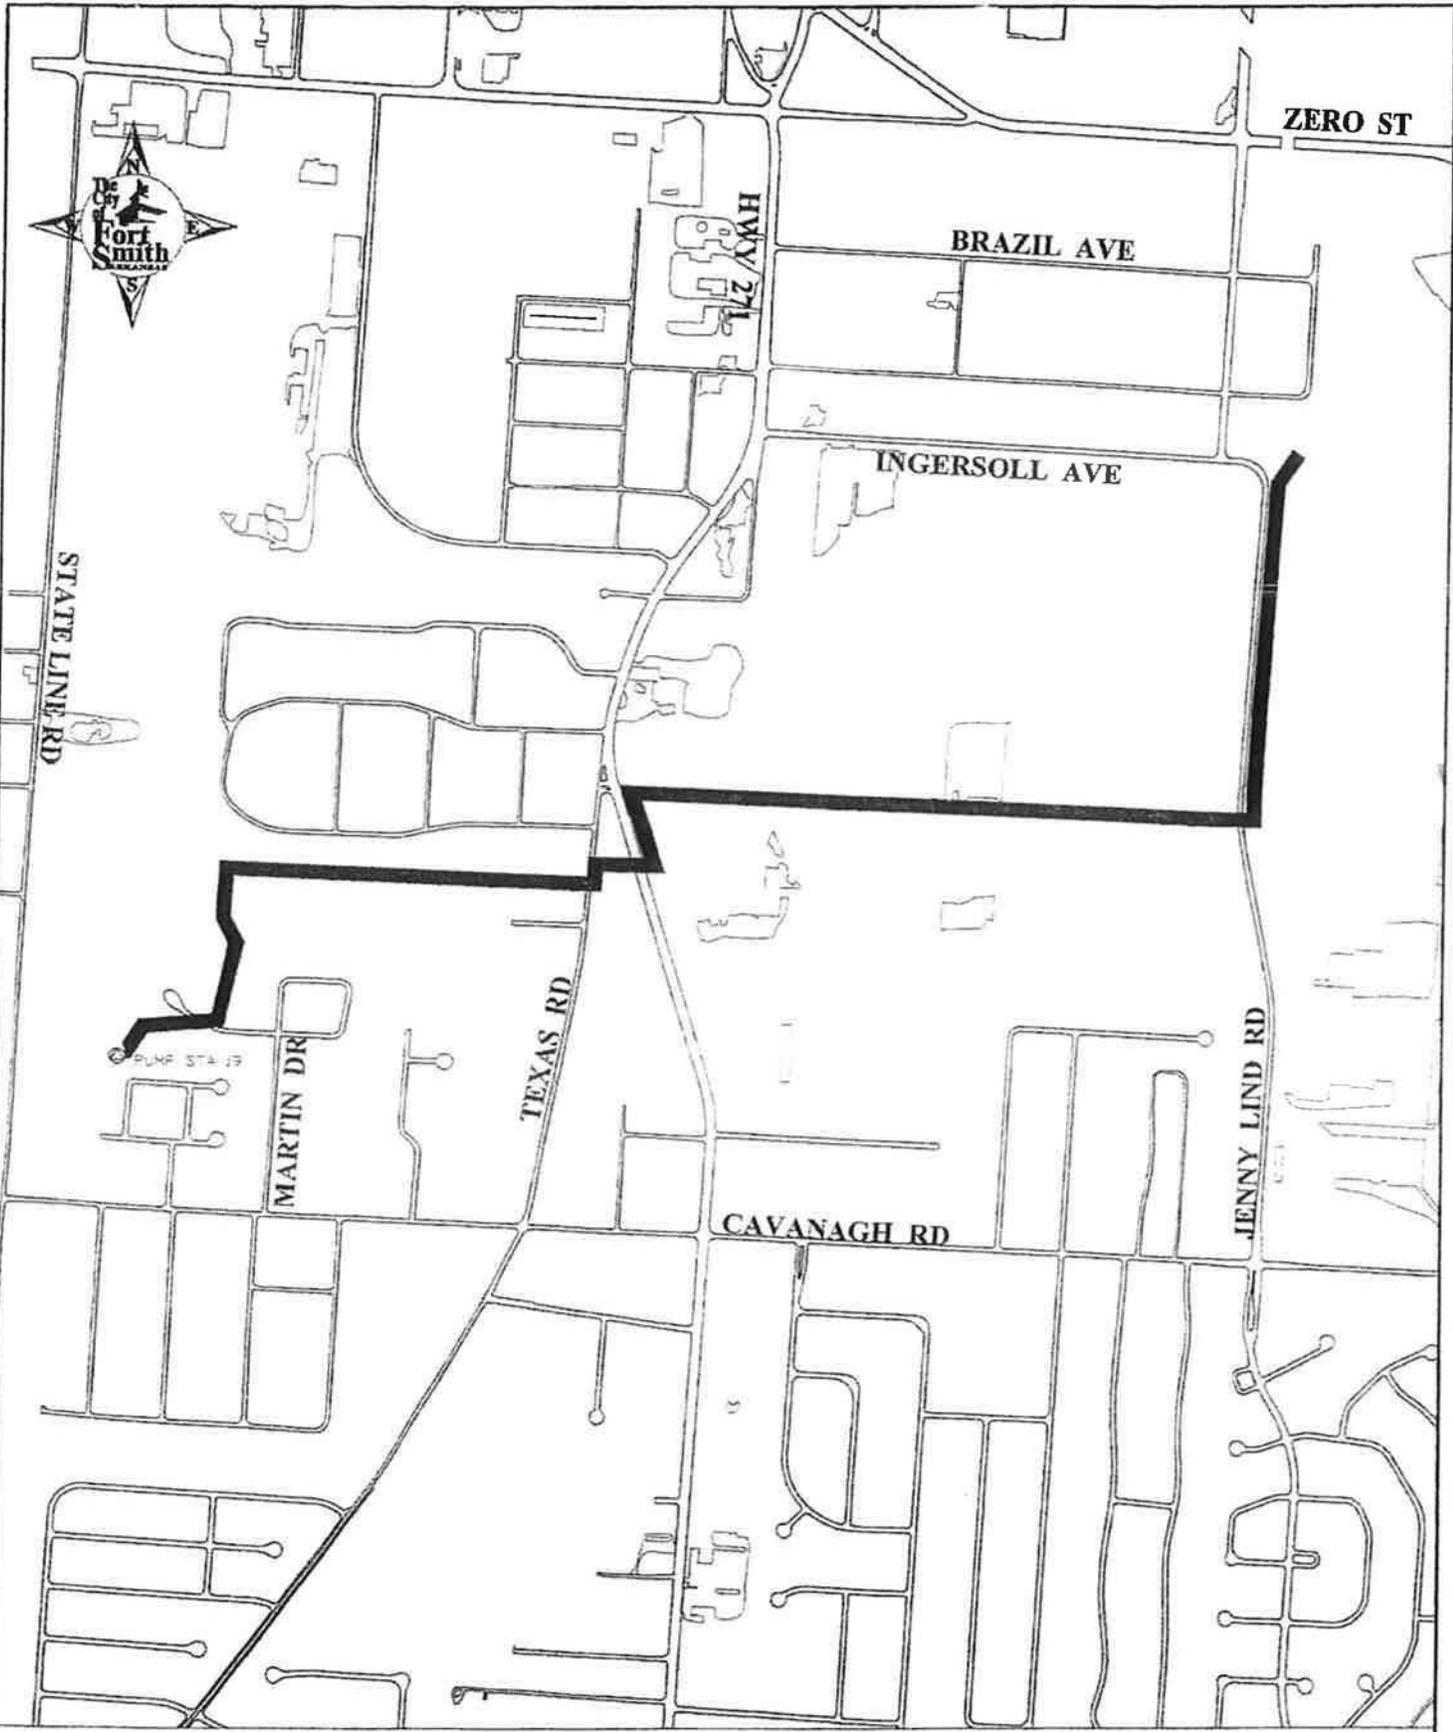

This wet weather capacity improvement project replaced approximately 8,900 feet of 10-inch force main with a 12-inch line for the Candlestick sewer lift station. The attached exhibit shows the locations of the improvements. The project had a construction cost underrun of \$102,853.41, because the contractor was able to minimize the disturbance to existing pavements, which reduced the amount of pavement repair.

A Resolution accepting the project as complete and authorizing final payment to Crawford Construction Company in the amount of \$63,989.98 is attached. It is my recommendation that the project be accepted as complete. A project summary sheet is attached for your review.

Should you or members of the Board have any questions or desire additional information, please let me know.

ORDINANCE DECLARING AN EXCEPTIONAL SITUATION WAIVING THE REQUIREMENTS OF COMPETITIVE BIDDING AND AUTHORIZING PAYMENT TO FORSGREN, INC., FOR THE EMERGENCY REPAIR OF ROGERS AVENUE

BE IT ORDAINED AND ENACTED BY THE BOARD OF DIRECTORS OF THE CITY OF FORT SMITH, ARKANSAS, that:

WHEREAS, the City was required to make an emergency repair to the water main located underneath the pavement of Rogers Avenue and required immediate repair to prevent the possibility of health hazards to the residents of the City of Fort Smith; and,

WHEREAS, it is necessary to contract for the emergency repair of the Rogers Avenue pavement damaged due to the water main break:

NOW THEREFORE, in order to eliminate the possibility of health hazards to the residents of the City of Fort Smith and to make necessary water main and street repair, an exceptional situation exists requiring the waiving of competitive bidding, and competitive bidding requirements for the water main and street repair are hereby waived. An appropriation of funds from the Water and Sewer Capital Improvements Fund in the amount of \$44,272.00 is hereby made. Payment for said emergency repair of Rogers Avenue and water main is hereby authorized, and payment to the contractor, Forsgren, Inc., in the amount of \$44,272.00 is hereby approved.

FROM: Steve Parke, Director of Utilities

SUBJECT: Rogers Avenue Emergency Pavement Repair

On Friday, July 25, 2014, the 12-inch diameter water main under Rogers Avenue near the intersection of South "P" Street burst. The pressure release was sufficient to lift a large section of the roadway pavement and wash out it's supporting base. Following the repair of the water main an assessment of the pavement damage made by the Arkansas Highway Department's staff determined that a 30-foot wide by 60-foot long section of the roadway would have to be removed and replaced. The width of the pavement replacement encompassed both of the west bound lanes plus the west half of the center turn lane.

The repair work required establishing lane closures and management of the west bound traffic to allow one lane to be open at all times. Once removed, the pavement repair required placement of a 9-inch thick high-early strength concrete patch, 2-inch asphalt overlay, as well as the replacement of a small section of curb and gutter. Cold milling the existing pavement on both ends of the repair area would also be required at the tie-in of the new asphalt paving to provide smooth transitions. Finally, the pavement markings and lane striping had to be reinstalled. As Rogers Avenue is a high traffic volume thoroughfare, the highway department wanted the work to be completed as quickly as possible, with weather permitting, before the upcoming weekend.

Staff requested a cost proposal from Forsgren, Inc., to provide the traffic control and repairs in accordance with the highway department's requirements within the time frame established. Their proposal to provide all necessary labor, equipment and materials to complete all items of work for an amount of \$44,272.00 was reviewed and determined to be reasonable and staff authorized the work to proceed.

An Ordinance declaring an exceptional situation waiving the requirements for competitive bidding and authorizing payment to Forsgren, Inc., in the amount of \$44,272.00 is attached. Funding of the repair work is available from the water and sewer capital improvement fund earmarked for neighborhood water system improvements. SUBJECT: Basin 9 Collection System Improvements
Project Number 12-08-C1

This project replaced approximately 11,350 linear feet of sanitary sewer main and replaced or rehabilitated 300 associated manholes. The final quantities for the project resulted in an underrun of \$130,631.95. The underrun resulted from changes in construction technique for a couple of segments of sewer mains. In addition, a segment of sewer main was dropped from the contract because it had previously been repaired between the time of the project's design and construction. These changes resulted in reduced cost of road and other property restoration. A project exhibit and summary sheet are attached.

A Resolution accepting the project as complete and authorizing final payment to Forsgren, Inc., in the amount of \$55,912.45 is attached. It is my recommendation that the project be accepted as complete.

RESOLUTION NO. _____

RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A
FLUORIDATION GRANT AGREEMENT WITH DELTA DENTAL
OF ARKANSAS FOUNDATION FOR FLUORIDATION EQUIPMENT
AND CAPITAL START UP COSTS TO ENABLE FLUORIDATION OF
FORT SMITH'S WATER SUPPLIES IN ACCORDANCE WITH ACT 197 OF 2011

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE CITY OF FORT
SMITH, ARKANSAS, that:

The Mayor is hereby authorized to execute a Fluoride Grant Agreement with Delta Dental
of Arkansas Foundation to provide fluoridation equipment and capital start up costs in
accordance with Act 197 of 2011 for the addition of fluoride to the Fort Smith water supply.

This Resolution adopted this _____ day of August 2014.

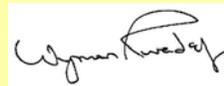

APPROVED:

Mayor

ATTEST:

City Clerk

APPROVED AS TO FORM:

npr

INTER-OFFICE MEMO

TO: Ray Gosack, City Administrator

DATE: August 13, 2014

FROM: Steve Parke,  Director of Utilities

SUBJECT: Delta Dental of Arkansas Foundation
Fluoridation Grant Agreement

In 2011 the Arkansas Legislature passed Act 197 requiring water systems serving populations of more than 5,000 to add fluoride to its water system at levels established by the Arkansas Department of Health. Water systems were not required to comply with the Act until funds sufficient to pay capital start-up costs for fluoridation equipment became available from any source other than tax revenue or service revenue regularly collected. Following the passage of the Act, Fort Smith submitted a grant application to Delta Dental of Arkansas Foundation (Delta Dental) for the capital start-up and equipment needed for fluoridation systems at its Lake Fort Smith and Lee Creek water treatment plants.

On July 31, 2014, Fort Smith received notice from Delta Dental that the fluoridation review committee had approved a grant for our system needs in the amount of \$1,804,000. The grant agreement is structured to reimburse Fort Smith's approved expense for engineering and construction costs. Engineering fees are to be reimbursed at 50-percent after construction begins and the remaining balance paid on completion of the project. Reimbursement of construction costs will be distributed monthly based upon construction progress. The city will need to establish the funding needed to cash flow the engineering and construction payments until reimbursement is received. Copies of the grant approval letter and grant agreement are attached.

The grant requires that the project be completed no later than 18 months from the date of the signed agreement. This will be an aggressive schedule for the city to meet as Burns & McDonnell has only prepared a concept design review report for the needed improvements to support the grant application. Staff has discussed the 18-month schedule requirement with Burns & McDonnell and it can be met provided that the Arkansas Department of Health's engineering staff provides timely review and approval of the construction plans. Also, as time is a significant challenge, the grant application should not be dated until just before its required September 19, 2014, submission date. The engineering services agreement with Burns & McDonnell for the design of the fluoridation improvements will be submitted to the Board for approval at their September 2nd meeting.

A Resolution authorizing the Mayor to execute the fluoride grant agreement is attached for the Board's consideration. Should you or members of the Board have any questions or desire additional information, please let me know.

City of Fort Smith Utility Department
Attn: Steve Parke
3900 Kelley Highway
Fort Smith, AR 72904

Dear City of Fort Smith Utility Department,

I am pleased to announce the Delta Dental of Arkansas Foundation has awarded a grant up to the amount of, but not to exceed, \$1,804,000 to the City of Fort Smith Utility Department to be used for the fluoridation equipment and services outlined in your grant application.

Enclosed you will find a contract stipulating the conditions under which these funds are being granted. Please sign and return the Agreement by September 19, 2014 via mail or email to the address below:

Delta Dental of Arkansas Foundation
Attn: Kelly Caldwell
1513 Country Club Road
Sherwood, AR 72120
kcaldwell@deltadentalar.com

If the Agreement is not received by September 19, 2014, the Foundation's offer to provide funding will be treated as having been rescinded. In that event, to receive further consideration for grant funding, the City of Fort Smith Utility Department must submit a new grant application containing a cost estimate that is dated within thirty (30) days of the date of the new application for review and consideration.

The Delta Dental of Arkansas Foundation is proud to support water fluoridation across the state, and we are honored to present this financial assistance to your organization as a way to help improve the oral health of Arkansans. Please do not hesitate to contact me if you have any questions. We look forward to assisting you as your water system takes the necessary steps to begin the fluoridation process.

Sincerely,

Kelly Caldwell

FLUORIDATION GRANT AGREEMENT

City of Fort Smith Utility Department
Attn: Steve Parks
3900 Kelley Highway
Fort Smith, AR 72904

Project: Fort Smith Water Fluoridation
Grant Amount: Up to but not to exceed \$1,804,000
Project Criteria: Delta Dental of Arkansas Foundation Grant will be used to pay equipment and labor associated with fluoridating city water systems.

Requirements: The following terms are a condition of this grant:

1. A copy of the Arkansas Department of Health – Engineering Section approval letter for the fluoridation system plans and specifications. Any change to the approved plans and specifications must be reported to Delta Dental of Arkansas Foundation, Inc. (herein “Grantor”) immediately.
2. The funds will be used by the Grantee solely for the purposes described in the above project and described in the engineering proposal.
3. Grantor reserves the right to audit all expenditures for this project to ensure spending is consistent with project justification.
4. Funds will be distributed monthly based on completion of project and actual expenditures. Engineering fees will be reimbursed 50 percent of approved fees 30 days after construction begins and the remaining balance shall be paid on completion of the project described in the approved proposal. Project will be completed no later than 18 months from the date of this signed agreement. If delivery of equipment is prior to installation, a change of title may be required before disbursement of funds.
5. Grantee agrees that any portion of the grant funds not used in accordance with these terms must be repaid to Delta Dental of Arkansas Foundation, Inc. The Applicant shall be responsible for any costs incurred by Delta Dental of Arkansas Foundation, Inc. in obtaining such refund.
6. An Applicant must agree to comply with the provisions of Act 197 of 2011, including the fluoridation rules to be enacted by Arkansas Department of Health.
7. After the fluoridation has been installed, an Applicant will meet and maintain the level of fluoridation established by the Arkansas Department of Health rules.
8. Should water department/municipality voluntarily discontinue fluoridation within ten years of the effective date of this agreement, the amount of this grant shall be refunded to the grantor reduced by 10% each year of operation on a prorated basis (e.g., 100% in the first year, 90% in the second year, and so on).
9. Should the water department/municipality fail to provide fluoridated water due to unresolved maintenance or repair for more than six consecutive months, such failure shall be considered a voluntary discontinuation and the amount of the grant shall be refunded in accordance with the above paragraph. The provision of this paragraph 2 shall be effective for a period of ten years from the effective date of this agreement.

Grantor is to be held harmless for all acts of misfeasance, malfeasance and/or malpractice associated with the disbursement of grant funds, and the services purchased using said funds. The Grantee accepts all legal and fiduciary responsibility for the use of Delta Dental of Arkansas Foundation, Inc. grant funds.

MEMORANDUM

August 15, 2014

TO: Mayor and Board of Directors

FROM: Ray Gosack, City Administrator

SUBJECT: Lobbyist Services

In 2007, the city entered into an agreement with J.C. Watts Companies for lobbying services in Washington, D.C. A copy of the agreement is attached. The lobbyist fee is \$6,000 per month, which is \$72,000 annually.

At the time the agreement was entered, Congress was providing budget earmarks for local and regional projects. And, significant funds were being budgeted for grants made by various federal agencies. As you know, the fiscal landscape in Washington, D.C. has changed dramatically over the last 3-4 years. Earmarks are now prohibited and grant funding by federal agencies has been curtailed. The benefit of having a lobbyist is not what it once was.

Watts Companies has represented the city well in Washington, D.C. They obtained funding for projects, helped us with access to various federal agencies, and kept us abreast of legislative matters affecting city governments. Watts Companies is willing to assist the city in the future if our needs dictate.

Attached for the board's consideration is a resolution which approves termination of the agreement with Watts Companies. If approved, the staff will provide the required notice. The termination would be effective November 30, 2014.

CONSULTING AND ADVISORY SERVICES AGREEMENT

MADE BY AND BETWEEN:

**THE J.C. WATTS COMPANIES, L.L.C.
600 13th Street NW, Suite 790
Washington, D.C. 20005**

And

**City of Fort Smith, Arkansas
623 Garrison Avenue, Room 315
Fort Smith, AR 72901**

WHEREAS, The J.C. Watts Companies, L.L.C. ("Consultant") provides management consulting and advisory services to a variety of industries; and

WHEREAS, the City of Fort Smith, Arkansas ("City") seeks to retain Consultant to render to City such consulting and advisory services; and

WHEREAS, Consultant is ready, willing and able to render such consulting and advisory services to City as hereinafter described on the terms and conditions more fully set forth below.

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth in this agreement ("Agreement"), the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. CONSULTING SERVICES. Consultant agrees to use its best efforts to:

a) Work with City to design and implement plans, both in Washington, DC and the State of Arkansas, to secure resources and other policy or regulatory support for City initiatives and priorities;

- A. Help City define priorities;
- B. Analyze various federal legislative and Executive branch program initiatives and legislation and provide recommendations for City's action;
- C. Develop and maintain communications with key Congressional Committees, Members of Congress and decision makers in the federal Executive branch on City's behalf;
- D. Coordinate and arrange meetings between City officials and Members and appropriate Congressional members and staff;

- E. Prepare written updates and assessments of progress on achieving City's legislative needs and objectives, at least monthly.

b) Assist City leaders in efforts to identify and secure investment in the region.

c) Assist City leaders in facilitating economic development opportunities and alliances for City stakeholders throughout the U.S. and the world.

2. SCOPE AND STANDARDS OF SERVICES.

a) It is acknowledged and agreed by City that Consultant is not rendering legal advice or performing accounting services, nor acting as an investment advisor or broker-dealer within the meaning of applicable state and federal securities laws. City acknowledges that, Consultant, as a matter of policy, does not, and will not, endorse any companies or investments.

b) Consultant agrees to perform its consulting duties hereto solely as an independent contractor. Nothing contained herein shall be considered as creating an employer-employee relationship between the parties to this Agreement.

c) Consultant retains the right to control or direct the manner in which the services described in Section 1 are to be performed. However, City will provide Consultant with reasonable access to City marketing information, records, and personnel that are required to support Consultant in properly performing under the Agreement.

d) City acknowledges and agrees that Consultant cannot guarantee the results or effectiveness of any of the services rendered or to be rendered by Consultant hereunder. Rather, Consultant shall use its best efforts to conduct its services and affairs in a professional manner and in accordance with good industry practice.

e) City will comply with all applicable state and federal securities laws on capital-raising activities.

3. **TERM OF AGREEMENT.** Consultant's engagement hereunder shall have an initial term of one (1) year, commencing on October 15, 2007, and ending on October 14, 2008, subject to termination as hereinafter provided in Section 5. Unless otherwise terminated as provided herein, the term of this Agreement shall automatically renew on a year-to-year basis at the end of the initial term and each subsequent renewal term unless either party gives written notice of non-renewal to the other at least ninety (90) days prior to the last day of the initial term, i.e. July 16, 2008, or the then-current renewal term. Expiration of or failure to renew this Agreement shall be without prejudice to any rights to compensation or other payment to Consultant pursuant to Section 4.

4. COMPENSATION

- a) In consideration of the services provided for City by Consultant as fully set forth in Section 1, Consultant will be paid a fee of \$8,500.00 per month, the first (1st) month's payment is due upon execution of this agreement and all subsequent months retainers will be due on the first (1st) day of that month upon receipt of invoice from Consultant.
- b) City shall reimburse Consultant for all reasonable expenses (prior approval by City required for any expenses in excess of \$200.00) and disbursements incurred by Consultant in connection with its performance under this Agreement.
- c) Consultant shall be responsible for all taxes, levies and charges that may accrue to Consultant by virtue of the compensation, reimbursements, or other payments to be paid or made to it hereunder. City shall make all payments hereunder without deduction or withholding of any taxes, levies, duties, charges, or expenses whatsoever. City's obligations under this Section 4 shall be performed without any right to invoke set-off, deduction or similar rights.

5. TERMINATION.

- a) Either party may terminate this Agreement by and upon delivery of written notice to the other at any time if such other party: (i) makes an assignment for the benefit of creditors; (ii) becomes adjudicated bankrupt; (iii) files a voluntary petition in bankruptcy or a voluntary petition or an answer seeking reorganization, arrangement, readjustment of its debts or for any other kind of relief under Title 11 of the United States code or a successor or state insolvency law ("Bankruptcy Law"); (iv) has filed against it an involuntary petition in bankruptcy or seeking reorganization, arrangement, readjustment of its debts or for any other relief under the Bankruptcy Law, which petition is not discharged within thirty (30) days; or (v) applies for or permits the appointment of a receiver or a trustee for its assets. Termination under this Subsection 5(a) shall be without prejudice to any rights to compensation or other payment of Consultant pursuant to Section 4 above.
- b) Either party may terminate this Agreement if the other party is in material breach of any of the representations or warranties set forth herein, or fails to perform or is otherwise in breach of any of its other material obligations under this Agreement and, after receiving written notice of such breach from the other party exercising its right to terminate this Agreement, does not remedy such breach within thirty (30) days after receipt of such written notice, in which case this Agreement shall terminate upon the expiration of such period. In addition, Consultant may terminate this Agreement by and upon delivery of written notice to City at any time if City shall violate any law, ordinance, permit or regulation of any governmental entity, except for violations which either singularly or in the aggregate do not have or will not have a material adverse effect on the operations of City. Termination by Consultant under

this Subsection 5(b) shall be without prejudice to any rights to compensation or other payment of Consultant pursuant to Section 4 above.

- c) Either party may terminate this Agreement by and upon delivery of ninety (90) days written notice to the other party, provided that this Agreement shall remain in full force and effect during such ninety (90) day notice period. All consideration received by the parties prior to the termination shall be retained by the parties without right of recourse.

6. NONDISCLOSURE.

- a) Consultant and City acknowledge that in the course of this relationship, they each may be exposed to or acquire information that is proprietary to or confidential to the other party. The parties agree to hold such information in strictest confidence and not to copy, reproduce, sell, assign, license, market, transfer, give or otherwise disclose such information to third parties or to use such information for any purposes whatsoever, without the express written permission of the other party, other than for the performance of obligations hereunder or as otherwise agreed to herein, and to advise each of their employees, agents and representatives of their obligations to keep such information confidential.
- b) The parties shall use reasonable efforts to assist each other in identifying and preventing any unauthorized use or disclosure of any confidential information. Without limitation of the foregoing, the parties shall use reasonable efforts to advise each other immediately in the event that either learns of or has reason to believe that any person who has had access to confidential information has violated or intends to violate the terms of this Agreement, and will reasonably cooperate in seeking injunctive relief against any such persons.
- c) Notwithstanding the obligations set forth in the preceding sections, the confidentiality obligations of the parties shall not extend to information that: (i) is, as of the time of its disclosure or thereafter becomes, part of the public domain through a source other than the receiving party; (ii) was rightfully known to the receiving party as of the time of its disclosure; (iii) is independently developed by the receiving party or is subsequently learned from a third party not under a confidentiality obligation to the providing party; or (iv) is required to be disclosed pursuant to a duly authorized subpoena, court order, or government authority, whereupon the disclosing party shall provide prompt written notice to the other party prior to such disclosure, so that such party may seek a protective order or other appropriate remedy. In the event that a protective order or other appropriate remedy is not obtained, the disclosing party agrees to disclose only that portion of the confidential information that is required; (v) City and Consultant recognize that the City is subject to the Freedom of Information Act of the State of Arkansas.

- d) Except as required by law, neither Consultant nor City will disclose to a third party any of the details connected with this Agreement. Notwithstanding the foregoing, Consultant shall have the right to disclose its client list when contacting or communicating with any public official, agency or employee. City acknowledges and agrees that Consultant's business practice is always to disclose its client list prior to communicating with any public official, agency or employee. Moreover, notwithstanding the foregoing sections (a) through (c), unless notified otherwise by City, Consultant may include City in any client list that it provides to individual prospective clients for marketing purposes. Similarly, City may acknowledge a consulting relationship with Consultant in discussions with investors and partners when appropriate. This sentence shall not be deemed to authorize City to include Consultant or Congressman J.C. Watts' name, likeness or voice in any advertisements, publications or commercial websites without prior specific written authorization.
- e) All obligations relating to confidential and proprietary information shall survive the termination of this Agreement.

7. COMMUNICATIONS CONSIDERATIONS. Consultant and City will ensure that any news releases or written public statements directly referencing the other will be mutually reviewed and approved before release. City will notify Consultant about news media inquiries made concerning J.C. Watts or Consultant's business relationships.

8. CONFLICT OF INTEREST. Consultant shall be free to perform services for other persons, corporations, and institutions. Consultant will notify City within ten (10) days of its intent to perform consulting services for any other person or entity that prevents Consultant from fulfilling its obligations under this Agreement. Upon receiving such notice, City may terminate this Agreement or consent to Consultant's outside consulting activities.

9. INDEMNIFICATION BY CONSULTANT. Consultant shall protect, defend, indemnify, and hold City and its successors and assigns and its attorneys, accountants, employees, members, managers, officers, agents and directors harmless from and against all losses, liabilities, damages, judgments, claims, counterclaims, demands, actions, proceedings, costs and expenses (including reasonable attorneys' fees and disbursements), interest, penalties, fines, judgments of every kind and character which may be alleged, asserted or claimed, relating to or arising out of (i) the inaccuracy, non-fulfillment or breach of any representation, warranty, covenant or agreement made by Consultant herein; (ii) Consultant's performance of this Agreement or (iii) the fact that City is performing as set forth in this Agreement, regardless of whether City is currently performing under this Agreement, if City acted in good faith under this Agreement and had no reasonable cause to believe its conduct was unlawful. Notwithstanding the foregoing, Consultant shall not be obligated to indemnify City for acts or omissions of City that involve City's fraudulent, dishonest or willful misconduct.

10. NOTICES. All notices under this Agreement shall be in writing and shall be effective upon personal delivery to a party, or three business days after deposit in the United States mail, registered or certified, postage prepaid and addressed to the respective parties as follows (or such other address as the parties may from time to time designate in writing):

11. APPLICABLE LAW. It is the intention of the parties hereto that this Agreement and the performance hereunder and all suits and special proceedings hereunder be construed in accordance with and under and pursuant to the laws of the State of Arkansas and that in any action, special proceeding or other proceeding that may be brought arising out of, in connection with or by reason of this Agreement, the laws of the State of Arkansas shall be applicable and shall govern to the exclusion of the law of any other forum, without regard to the jurisdiction on which any action or special proceeding may be instituted.

12. SEVERABILITY. All agreements and covenants contained herein are severable, and in the event any of them shall be held to be invalid by any competent court, the Agreement shall be interpreted as if such invalid agreements or covenants were not contained herein.

13. ENTIRE AGREEMENT. This Agreement constitutes and embodies the entire understanding and agreement of the parties and supersedes and replaces all prior understanding, agreements and negotiations between the parties. No representations by any person shall have any force or effect, regardless of when made, except as specifically included in this written agreement or a subsequent written agreement executed by all parties.

14. WAIVER. The failure to insist on strict compliance with any of the terms, provisions or conditions of this Agreement or the failure to exercise any right or privilege shall not operate or be construed as a waiver thereof, or of any subsequent breach thereof or a waiver of any other terms, provisions, conditions, privileges or rights.

15. CHANGES AND MODIFICATIONS. No change or modification of this Agreement shall be effective for any purpose except when made by written agreement signed by both parties.

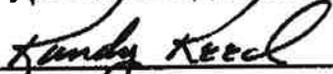

16. MEDIATION.

- a) In the event of any dispute (as defined herein below) arising out of or relating to this Agreement, or the breach thereof, the parties agree that, before having recourse to arbitration or a court of law, they will participate in at least four (4) hours of mediation in accordance with the commercial mediation rules of the American Arbitration Association.
- b) The term "dispute" shall mean any action, dispute, claim or controversy of any kind, whether in contract or in tort, under either statutory or common law or both, now existing or hereafter arising between the parties in any way pertaining to (i) this Agreement or any related agreement, document or instrument; and (ii) any incidents, omissions, acts, practices or occurrences arising out of any service or product furnished or agreed to be furnished under this Agreement causing property damage to either party and is asserted that the other party or its agents, employees or representatives, may be liable, in whole or in part; provided, however, that the parties may seek injunctions and similar forms of equitable relief with courts of competent jurisdiction.

17. COUNTERPARTS. This Agreement may be executed simultaneously in two (2) or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have duly executed and delivered this Agreement as of the day and year first above written.

- In concert with the Fort Smith Transit Department, initiated and developed the Fort Smith region's Transit Mobility Managers Program. This program is currently being administered and supervised by the University of Arkansas-Fort Smith.
- By invitation, participated in 4 national transportation planning and administration best practices peer exchange events sponsored by the Federal Highway Administration. Invitees were limited to 7 – 14 individuals for each event.
- Initiated, developed, and authored the first regional freight management plan for the Fort Smith region and developed and hosted 3 regional freight summits as elements of the management plan.
- In 1991, initiated and developed the Van Buren Regional Intermodal Facility project that culminated in over \$500,000 in planning funds and \$200,000 in rail infrastructure funds. Advanced this project throughout the 1990s and into 2009 when the Arkansas General Assembly granted the Bi-State Metropolitan Planning Organization over \$200,000 in state funding to engage a full time director for the project.
- Initiated and developed the Fort Smith Taxi Subsidy Program that provided \$1.00 vouchers for the low to moderate income, elderly, and disabled residents of Fort Smith to use to off-set the costs of taxi fares. This initiative preceded the Fort Smith Transit service by 4 years and was instrumental in identifying transit need and generating public support for transit service in the City.

- \$200mm Harrah's Jazz Casino, New Orleans (pre/post-bankruptcy) (www.harrahs.com) (pm)
- 278 Wilson Leather Retail Outlets in four years (www.wilsonleather.com) (pm)
- Harrah's Project Cost Modeling Standardization
- Candlewood Hotel Site-Adapt, Design-Build Program development and implementation
- Developed, implemented and administered the New Orleans Open Access Program for Minority & Women Owned Business Enterprises and Minority & Women Individuals

UNITED PARCEL SERVICE (1983-1995): Region Project & Environmental Manager, Shareholder, Industrial & Plant Engineering Supervisor, Package Car Driver & Supervisor, Hub Supervisor, Preload Supervisor

UPS entrusted me with many assignments but most notably as Region Project & Environmental Manager for their South Central Region. While serving on the Region Real Estate Committee, I oversaw the Approval for Development process for hundreds of commercial projects and expansions. As Region Project Manager, I completed 12 new building or renovation projects. As Region Environmental Manager, my responsibilities included complete regulatory compliance for all facilities and fleet in the region while managing a staff of six Project Engineers who performed 132 projects on various environmental issues. Some highlights:

- Served on the Corporate Environmental Committee and personally developed the corporate-wide UST Program involving more than 1,400 facilities and \$100M capital expenditure including feasibility analysis, strategic planning, implementation, legal compliance, training and project controls methodology.
- Supervisor of the Year for 1994 (Arkansas, Customer Service)
- Project of the Year nomination for 1991
- Completion of \$7M-132 project UST Program for SC US in three years – 1st in UPS
- Highest ranking at Supervisor’s Basic Training School
- Achieved highest UPS Work Measurement Audit score attainable
