

Shape the Future of Fort Smith

Come out and participate in a series of community forums to Imagine Alternative Futures for the City of Fort Smith. The forums will illustrate what our city's future might look like in 20 years, if we stay on the same course as we are today. Working with other participants, you will then get a hands-on opportunity to propose and explore alternatives to this likely future, contrasting it to the Vision Statement developed from YOUR input during Community Forum Series One. Share your thoughts and ideas on how to shape the future of Fort Smith by mapping it.

Monday, November 18th - 5:30PM

River Park Events Building, East Room

Tuesday, November 19th - 11:30AM

Rose Room of Creekmore Park
