MEMORANDUM

February 25, 2013

TO: Mayor and Board of Directors

FROM : Ray Gosack, City Administrator

SUBJECT: Comprehensive Plan Steering Committee

One of the board's strategic priorities is updating the city's comprehensive plan. Fort Smith's first-ever comprehensive plan was adopted in 2002, and has guided the city's progress in many ways. A few examples are:

- the unified development ordinance with its emphasis on landscaping, traffic management, stormwater control, and public involvement to name a few
- neighborhood preservation and stability which led to property maintenance standards and enhanced compliance efforts; and an emphasis on redevelopment of older neighborhoods
- downtown and riverfront development
- parks and recreation

The update to the comprehensive plan will guide the city government's initiatives for the next 10+ years. For the plan to be credible, it must represent the community's visions and desires. This is best accomplished by having a diverse citizens steering committee oversee development of the plan. Although the steering committee will play a pivotal role, there will be many other opportunities for the public to become involved in creation of the plan. The steering committee's principal responsibilities will include:

- guide the development of the policy content of the plan, subject to periodic approvals by the board of directors

- act as the eyes and ears of the community
- host community forums and other public participation events

The consultant who will assist us with preparation of the plan, Wallace Roberts & Todd, has recommended 20-30 citizens comprise the steering committee. The mayor, board and staff have undertaken considerable effort to recruit citizens, particularly those who haven't been previously involved with city government. Our efforts have been successful!

Seventy-seven (77) citizens have applied. A summary of the applicants and their applications are attached.

Appointment of the steering committee is scheduled for the March 11th special board meeting. A list of considerations for making these appointments is attached. The discussions will occur in executive session. Any actions, including appointments, will have to be confirmed in open session. At the March 11th meeting, the board may:

- complete the appointment process
- make some appointments and continue with remaining appointments at a subsequent meeting
- decide to make all appointments at a subsequent meeting

To facilitate the board's discussion, it may be desirable for each board member to identify his/her 20 preferred applicants and bring that list for the March 11th discussion. Applicants who appear on the lists of most or all board members could be given strong consideration at the beginning of the appointment discussion. This will allow more time to make certain that the committee is as representative of the entire community as possible.

The appointment of the steering committee will be some of the most important appointments made this year. The success of the comprehensive plan will be significantly influenced by the work of the steering committee. These appointments should be made with considerable foresight. Please let me know if you have any questions or need more information to assist with these appointments.

Attachments

COMPREHENSIVE PLAN STEERING COMMITTEE

Considerations for Selecting Committee Members

- Members must be willing to stay engaged for approx. 18 months and be willing to meet at least monthly. The meeting frequency may slow down at certain points in the process.

- Members should have an interest in participating in a collaborative process to envision and articulate what Fort Smith should be like in 10-20 years

- Members should be able to work well in group settings. They must be able to collaborate and synergize with fellow steering committee members. Members must be willing to support decisions made and directions set by the consensus of the committee even when those decisions may not reflect the preferences or views of the member.

- Members should be courageous to identify the tough issues facing the community and be willing to discuss those issues with candor and honesty.

- Members should be able to represent and understand broad interests. Someone with a narrow focus, a special interest, or an axe to grind will likely become disenchanted with their service on this steering committee.

- The steering committee should be diverse so that it is representative of the entire community. Including people who haven't been previously involved with city government will bring fresh perspectives.

- The board may want to consider appointing persons who serve on other current commissions such as the planning commission, the CBID, and the parks commission. Currently, the board limits citizens to serving on only 1 commission at a time unless citizens possess a special or unique qualification. The comprehensive plan steering committee may be an exception to this rule.

GROUPS TO CONSIDER FOR REPRESENTATION

(List provided by Wallace, Roberts & Todd)

- Faith-based organizations / charities (council of churches?)
- Youth (scouts, sports leagues)
- Development interests / realtors / home builders
- Small business owners (merchants association)
- Civic organizations (Rotary, etc.)
- Environmental / outdoor recreation interests
- Cultural / arts interests
- Neighborhood associations

Comprehensive Plan Steering Committee

-Peggy Weidman
-Judge Jim Spears
-Valerie Lewis
-Michelle Stockman Hood
-Megan Raynor
-Paula Linder
-John R. Withers
-Bobby Aldridge
-Barbara Hathcock
-Ken O'Donnell

Per the Boards direction the following arrangements for contacting applicants has been developed. The phone number of the applicants are listed in the attached resumes.

CATSAVIS	LAU	LORENZ	WEBER	SETTLE	GOOD	MERRY
Weidman	**Spears**	**Lewis**	**Hood**	**Raynor**	**Linder**	**Withers**
Aldridge	**Hathcock**	**O'Donnell**				

Comprehensive Plan Steering Committee Interview Questions

(1) Would you be willing to serve for 18 months or longer and be willing to meet at least monthly?

(2) What do you think Fort Smith should be like in 10-20 years?

(3) Are you comfortable working in a group where there may be opposing views? How would you handle conflicts?

(4) When facing tough issues regarding the community, would you be able to discuss those issues with candor and honesty?

(5) Would you be able and willing to share the committee's topics and vision with other citizens?

(6) Why do you feel like you would do well on this committee?

Comprehensive Plan Update Steering Committee

The Board of Directors will appoint a 20-30 member Comprehensive Plan Steering Committee that includes major employers, business owners, developers, representatives of neighborhood and civic organizations as well as liaison representatives of the planning commission and other boards. Over a period of 18 months, the committee will generally meet monthly, host community forums, participate in other community planning events, and work with the city's consultant in guiding the development of the comprehensive plan update.

Qualifications Summary

Accomplished executive with multiple years experience leading diverse professionals in exceeding objectives with complete overall operation responsibilities. Excellent interpersonal and mentoring skills. Proficient in Lean Manufacturing techniques (Six-sigma Champion) and Continuous Improvement programs. Achieved outstanding performance from line, staff, and executive positions. Experience spans companies of various sizes, multiple plant responsibilities, as well as different industries. Active in local, regional and national networking.

Selected Accomplishments

- Developed and coordinated Continuous Improvement programs (Six-Sigma lean manufacturing techniques) throughout the manufacturing segments of Jarden Corporation resulting in substantial savings in respective divisions (Average annual savings from formal programs $3-$5 million)
- Significantly increased business unit revenue and profitability through internal growth, acquisitions, and new product introductions; over a five year period division revenue grew from $20-$35 million while profit margins increased
- Negotiated and secured profitable long term agreements with major customers and suppliers
- Conducted in-depth market analysis for proposed new products and acquisitions
- Incorporated ISO quality systems and programs
- Established team operations in a 24/7 manufacturing environment
- Led staff in post-acquisition integration programs
- Established system of value drivers for use in measuring the business
- Successfully coordinated and integrated the efforts of staff professionals in manufacturing, finance and administration, marketing, sales, engineering and human resources to ensure continuing effective operations through operational and strategic planning
- Established effective cost analysis systems and competitive buying practices for raw material purchases
- Managed multiple locations and remote staff

Employer History

7/07 - Present — Management Consultant and Financial Advisor / Semi-Retired

Responsible for consulting and advising entities in lean manufacturing, continuous improvement and other manufacturing and financial techniques in operations and administration.

1/05 - 7/07 — Executive Vice President (Continuous Improvement), Jarden Plastic Solutions, Jarden Corporation*

Responsible for Continuous Improvement Programs with in Jarden Plastic Solutions and selected divisions of Jarden Corporation. Evaluate operations and facilitate Lean Manufacturing Techniques to improve performance and increase profitability. Evaluate all manufacturing operations within Jarden Corporation and developed plans for various stages of Continuous Improvements year to year. Targeted $3-8 million in savings.

1/02 – 12/04 President, Alltrista Industrial Plastics, Jarden Corporation – Fort Smith, AR

Reinstated as President after corporate reorganization (Board President, CEO and CFO changes) and the divestiture of Alltrista Thermoformed Products Division operations. Industrial Plastics Company is a "World Class" industrial thermoformer and plastic sheet extruder primarily working with Acrylontrile-butadiene-styrene (ABS) and High-Impact-polystyrene (HIPS) materials. Unit revenue is approximately $35 million with approximately 80% appliance related. Primary appliance customers are Whirlpool Corporation and Diversified Refrigeration Incorporated. The remaining business are proprietary lines of plastic folding banquet tables serving the furniture, hospitality, education, church, recreational, rental and institutional markets while providing sheet products to the open market. Total responsibility of the division including financial, sales, marketing, administration, and engineering.

11/00 – 12/01 Senior Vice President Manufacturing, Alltrista Thermoformed Products Division

Responsible for manufacturing operations of multiple facilities (five) of Alltrista Thermoformed Products Division (TPD). TPD is the largest industrial thermoformer in North America, using twin sheet, single sheet, vacuum, and pressure forming techniques. Also responsible for sheet extrusion operations that vertically integrate sheet into our facilities. Responsible for operational performance in all areas, including customer service and new product prototyping. Responsible for initiating and completing process and product improvement programs, budgets, strategic and operational planning, training and succession planing for the manufacturing area.

1992 – 11/00 President, Alltrista Industrial Plastics Company, Fort Smith, AR (Formerly Ball Plastics Company)

Responsibilities include growth of the extrusion and thermoforming business, identification and development of new business opportunities, and financial performance of the division. In 1997 sought, evaluated and integrated a new company with our existing business. Directed staff in achieving productivity improvements for all key resources and, with management team, established comprehensive performance measures and goals to enhance overall division performance. Continuously monitored and improved strategic and operating plans and objectives.

1986 – 1992 Plant Manager and General Manager, Ball Plastics Company, Fort Smith, AR

Directed the plant quality, production, manufacturing, engineering, and administrative functions. Prepared, justified and administered the plant operating budgets.

Other Positions

Manager, Closure Engineering, Ball Metal Container Group, Broomfield, CO

Lead Production Engineer, Ball Metal Container Group, Broomfield, CO

Department Manager, Ball Metal Container Group, Fairfield, CA

Engineer and General Supervisor, Ball Metal Container Group, Lakewood, CO

Senior Project Engineer, Sunbeam Mile High Equipment Company, Denver, CO

United States Army National Guard, 140th Signal Battalion, in Denver, CO.

Selected Professional Activities and Organizations

- Manufacturing Executives Association, Board of Directors
- Society of Plastics Engineers, Senior Member
- Society of Manufacturing Engineers
- Westark College (University of Arkansas, Fort Smith) NSF Advisory Committee
- Sparks Regional Medical Center, Board of Advisory Trustees
- Fort Smith Public Schools, Strategic Plan Committee
- United Way, Captain / Chairman of the Manufacturing Division
- Leadership Fort Smith, Board of Advisors

Selected Professional Development

- Six Sigma Quality Workshop – Champion Status
- Principle Centered Leadership – Stephen Covey
- Seven Basic Habits of Highly Effective People - Stephen Covey
- Fundamentals of Finance and Accounting
- Lessons in Leadership

Education

Bachelor of Science, Mechanical Engineering, University of Colorado

(X) Comprehensive Plan Steering Committee

I Would like to be appointed to the proposed Comprehensive Plan Steering Committee.

I have personally as individual, or a member of a design team prepared 1,000's of construction documents since 1974. Hopefully as a member of the committee, we could develop a Comprehensive Plan that works for the many special, different conditions that exist in Fort Smith.

Fort Smith needs a document that fits the different types of land or property uses with in this city, while protecting the rights of individual property owners.

I have over 30 years of experience in the preparation of construction documents, with both Architects and Engineers, and my personal drafting. I know how the Fort Smith functions in processing plans.

Thank you,

Roger Winton
1715 south 23rd
Fort Smith, Ar 72901
Residence 782-2390- cell 650-0719

1997 to present—

I have worked as a draftsman and exterior designer for a Architect in Fayetteville for about 10 years. Partial list of Projects I have worked on with the Architect.

Apartments	**Fort Smith**
Apartments	**Joplin Mo.**
Restaurant –Lucys	**Ft. Smith & Rogers**
Church	**Fort Smith**
Church	**Van Buren**
Church	**Oklahoma**
Bakery	**Van Buren**
Office bldg. for Answer Fort Smith	**Fort Smith**
Renovation plans of building Garrison Ave.	**Fort Smith**
Office addition Foster –Files– Harris	**Fort Smith**
Office complex Foster- Files-Harris	**Fort Smith**

My projects past 1997

15-20 duplex plans various builders	**Fort Smith, Fayetteville Booneville, Roland.**
80% of the plans for Cisterna Villa	**Fort Smith**
Designer of 5 Fort Smith Home Builders parade of homes	**Fort Smith**
Designer of over 2000 homes in the last 30 years for builders, private residences ranging in cost from $50,000 to 1.2 million	**Arkansas, Oklahoma, Texas**

Cisterna Villa. At the present time five residences I have designed, are either under construction or have been completed in the last 2 months. The private residences have a combined value of over 2 million dollars. Three different builders are over seeing the projects

I am semi retired, started drawing SS last December

List of projects I worked on from 1974 - 1997

]

Started work at K. F. Cockram Architect April 1974.
I got a copy of the project book that he logged in the jobs for a Job number, but until last year, I never put the list of the projects I worked on for a computer.

I did not work on all of the projects at the firm this are the ones while employed from 1974 to the late 1980's that I did work on. Then I did contract work for him until about 1999. From 75 or so I was one of the 3-4 draftsman that he employed. Unlike the drones that you find in some offices, we were allowed to make phones calls about the multi million dollar projects we worked on and have contact with the clients.

Mitchell Minnick

2100 North 31st Street, Fort Smith, AR 72904
Office: *479.782.4991 ext. 24* ***Cell:*** *479.650.6704*
mminnick@fortsmithha.com

Achievements

- Completed construction and occupancy/stabilized operations of a $10.6 million Low-Income Housing Tax Credit (LIHTC) development containing sixty-five (65) units of single-family and duplex homes on the site of a former family public housing complex that was demolished. ***Outcome: Brought the total number of new, LIHTC funded units in the Fort Smith Housing Authority's portfolio to 115 units.***
- Prepared an application for and received a Neighborhood Stabilization Program – 1 (NSP-1) grant of $1.3 million through the Arkansas Development Finance Authority (ADFA) to acquire and demolish vacant, blighted structures and build back new single-family affordable homes for sale. ***Outcome: Eight new single-family homes completed.***
- Prepared an application for and received an allocation of Low-Income Housing Tax Credits (LIHTCs) through the Arkansas Development Finance Authority (ADFA) for a $9.6 million affordable housing development. ***Outcome: Development of the 57-unit development is ongoing, with construction slated for a November 2013 completion***
- Prepared an application for and received a Community Development Block Grant – Disaster (CDBG-D) grant of $820,000 through the Arkansas Community and Economic Development Program (ACEDP) to acquire and demolish at least twenty (20) vacant, blighted structures and prepare the lots for the future construction of new single-family affordable homes for sale. ***Outcome: Twenty-two structures have been demolished and the vacant sites are being prepared for future house construction.***
- Prepared an application for an allocation of Low-Income Housing Tax Credits (LIHTCs) through the Arkansas Development Finance Authority (ADFA) for a $12 million affordable housing development. ***Outcome: ADFA will award tax credit allocations in June 2013. Site work is estimated to begin in January of 2014 should an allocation be received.***

Certifications

- Novogradac & Company LLP Certified Low-Income Housing Tax Credit Property Manager
- Arkansas Development Finance Authority (ADFA) Certified HOME Program Administrator

JACK L. GREEN

Education: University of Arkansas
Bachelor of Science Civil Engineering 1961

Military Experience: U.S. Army Artillery — Giessen, Germany 1961-64
First Lieutenant
- Battery Survey Officer
- Battery Nuclear Weapons Officer
- Battalion Assistant Operations Officer
- Battalion Intelligence Officer

Work Experience:

1960-61 Arkansas Highway Department Research Program
University of Arkansas Fayetteville, Arkansas

1964-1996 Hill Company, Incorporated Fort Smith and Charleston, Arkansas

Hill Company was a family business established in 1948 by my late Father-in-law, Robert B. Hill. We employed 100 to190 employees in two plants manufacturing predominantly western style clothing including shirts and pants for men, women, and children as well as several lines of "weekend casual" shirts. All work was contracted for a variety of labels including H Bar C/California Ranchwear, Wrangler, Niver Western Wear, Enro Shirt Corp., J.C. Penney, J. Crew, and B.D. Baggies. The company closed in the first quarter of 1996 due to economic pressure from low-cost overseas clothing.

1964-1978 Engineer - As the company's primary engineer I was responsible for Plant Layout, and Multi-Plant Operations including purchasing all supplies, maintaining a piecework incentive plan, and costing of garments.

1978-1982 Executive Vice President - In addition to the above responsibilities, I assumed additional duties in the area of Human Resources in charge of hiring, employee grievances and disputes, and Benefits Administration. I also assumed duties in pattern creation and design, marketing, sales and customer relations including trade shows and development of new business nationwide.

1982-1996 President - I was in charge of the total operations of two plants including the above responsibilities. I incorporated the use of automated production; computerized spread-sheets to track production and scheduling; as well as databases for piecework, operation descriptions, and employee records.

1996-2008 Guest Reddick Architects Fort Smith, Arkansas

Director of Field Operations- I was in charge of Construction Administration and Field Observation. I assisted the project architects and project managers in controlling all aspects of construction observation, the paper work involved with proposals and change orders, and monitoring pay applications. I helped coordinate questions that arise between the architects, engineers, consultants and the owner and contractor.

As an added duty I did marketing and PR work, assisting the architects in pursuing new work including calling on possible clients, preparation of brochures and Power Point presentations. I worked with a web master to build a web site for Guest Reddick.

2009- 2011 Guest Reddick Architects Fort Smith, Arkansas

I assist the project architects and project managers in construction observation and rendering reports on site visits. I helped coordinate questions that arise between the architects, engineers, consultants and the owner and contractor. This work is performed on an hourly basis.

2013-Present Turn Key COnstruction Management Fort Smith, Arkansas

I work in business development for Turn Key making calls and contacts for possible construction jobs.

Community Involvement:

First United Methodist Church -	Finance Committee, Building and Grounds Committee, Archives Committee,
Pastor Parish	Relations Committee, Board of Trustees,
Sunday	School Teacher, UMYF Counselor 1977-1986
Family Aid Agency	Past Board Member
Fort Smith Girls Club	Past Board Member
Fort Smith School Board	1977-82 President 1980
United Way of Fort Smith	Past Board Member
Boy Scouts of America	Cubmaster at Bonneville and Albert Pike schools
Church League Baseball	Babe Ruth League Coach 1976
Habitat for Humanity	Volunteer
Exchange Club	Board- 6 years President- 1 year
Fort Smith Museum of History	Past Board Member

Computer Experience:

I have basic knowledge and have used the following programs and languages: MS Windows XP, MS Office Professional, Outlook, CAD Pattern Design and Marking, Auto CAD, Corel, Power Point, and PhotoShop.

Community Activities

I am a lifelong resident of Fort Smith. I was born here, educated here, and have raised my family in our great community. I have been an active member of the community and county serving on many local and regional civic boards, county government, and other community related activities, a few of which are listed here:

Sebastian County Quorum Court - Justice of the Peace/District 7 - 2001 to 2011
I was involved for 10 years with the administration of the county budget and during that time I worked to fund and build the new county courts facility, serving on the architectural review committee. I served on the Ben Geren Golf Course marketing committee and the county employee salary review committee. I also worked with the city government to develop the study and pre-planning for the new aquatics park serving on the intra-governmental feasibility committee.

President, Second Street Live! Board - I am the past president and currently serve as ex-officio board member for Second Street Live! I officiated over the recent sale of our performing and visual arts theater to the CBID and subsequent leasing to the University of Arkansas Fort Smith.

UA Fort Smith Visual Communications Department - Advisory Board
I am a founding member of the department's advisory board serving to help develop the curriculum for the program and review and help guide the continuing progress of the program and students.

Past boards and civic experience:
OSU Okmulgee Visual Communications Advisory Board - 12 years - Chairman
Fort Smith Art Center
Greater Fort Smith Advertising Federation - Vice president/Addy Awards Chairman
Fort Smith Recycling Committee - Concepted and designed the initial "Don't Trash It - Recycle" campaign
Western Arkansas Ballet
Fort Smith Convention and Visitors Bureau - I worked with the initial developers of the commission and had the privilege of designing the stockade logo for the City of Fort Smith that is still in use today.

✓ (X) Comprehensive Plan Steering Committee

2-18-2013

I would be very interested in being part of Fort Smith's Comprehensive Plan Steering Committee.

As a 35 year resident of Ft. Smith, I have a love for the city, the people, and the culture, and I feel that Fort Smith has great potential for future growth and prosperity. I would like to 'give back' to the community that helped raise me by contributing my ideas and experience to a team of thoughtful people who have the future well-being of Ft. Smith in mind.

My diverse work background includes many successful years in sales, management and strategic planning in both the Media and the Manufacturing fields.

EDUCATION:

My academic background includes 2 years at the University of Arkansas Ft. Smith (in the Westark days) as well as several years at UCA in Conway, where I earned a BBA Degree in Marketing. I am a member of the UAFS Alumni Association.

I have also received extensive professional training of various kinds from Rockwell Corp – Milwaukee Campus, and 3-M Corp-Minneapolis Campus.

I worked for the United States Census Bureau during the 2010 Census , covering the Ft. Smith area, and going through 32 hours of training, and passing extensive US Govt. tests and background checks.

RELEVANT PROFESSIONAL EXPERIENCE:

Positions of leadership and planning that I have held include 3 + years as General Sales Manager for KWHN News-talk Radio from 1997 to 1999 where I supervised sales and creation of new programing, as well as taking part in many, many Ft. Smith community events, political activities, civic events, et.

Since I had grown up around Manufacturing, (my father was the Plant Manager at Rheem Mfg.) , I went into the Industrial Products Distribution and Manufacturing area. I served from 2000 to 2007 as the District Sales & Business Manager for Briggs Weaver-Hagemeyer Industrial, supervising 25 direct reports in Arkansas & Oklahoma and taking part in Long-term strategic planning for the integrated needs of major corporations like Falcon Jet, Cloyes Gear, Baldor, Kimberly Clark and many others.

I am currently an Account Manager for Rexel Electrical, the industry's largest electrical products and services company. I serve the Western Arkansas / Eastern Oklahoma area.

My current position allows me to set my own schedule, which makes it easy for me to attend any meetings, events, etc. related to being on this committee, and allows me to perform any additional duties that may arise.

2.

CONTACT INFORMATION :

I can be contacted by cell phone at 226-2020 or Ft. Smith phone at 434-6246 and can also be contacted by e-mail at michniow@live.com

REFERENCES:

These relevant personal and professional references can attest to my character, abilities, work ethic, and successful background working in a team environment:

RE: Comprehensive Plan Steering Committee Application

To whom it may concern:

I am interested in applying to serve on the Fort Smith Comprehensive Plan Steering Committee. As a native of Fort Smith with a long family history in the region, I am keenly interested in the future progress and prosperity of the city. I am 33 years old with degrees from the University of Arkansas – Fort Smith and the University of Oklahoma. I am currently an employee at the Fort Smith Public Library and regularly come into contact with large cross section of the public in my work. As a result, I believe I can bring a unique perspective on the needs of local citizens to the steering committee.

I am also a strong believer in the need for private citizens to be active in the leadership of the community and I would consider it an honor to be chosen to serve on this committee. I have previous experience serving on committees and posses a basic knowledge and interest in a broad range of subjects that could be beneficial to the committee.

I appreciate your taking the time to review my credentials, experience, and skills. Attached is a resume detailing my education, work history, relevant experience, and references. Thank you for your consideration.

Sincerely,

Mark Raymond, M.L.I.S.

Enclosure

MINUTES OF BOARD OF DIRECTORS SPECIAL MEETING

MONDAY ~ MARCH 11, 2013 ~ 6:15 P.M.

CREEKMORE PARK COMMUNITY CENTER ROSE ROOM

The special meeting was called by the Board of Directors for the purpose of convening into executive session to consider the following:

- Appointments: Comprehensive Plan Steering Committee (20-30)

The special meeting was called to order by Mayor Sandy Sanders, presiding. On roll call the following members of the Board were present: Directors Keith Lau, Andre' Good, Mike Lorenz, George Catsavis, Pam Weber, Kevin Settle and Philip H. Merry, Jr. A quorum was declared present.

Mayor Sanders inquired if any Board member had any item of business to present that was not already on the agenda. There was none presented.

The Board convened into executive session and after reconvening, Mayor Sanders announced the following appointment nominations:

COMPREHENSIVE PLAN STEERING COMMITTEE

Bobby Aldridge
Donna Bragg
Rob Coleman
John Cooley
Leroy Cox
Joel Culberson
Rham Cunningham
Ed Devero
Jack Green
Pete Hanham
Michelle Hood
Galen Hunter
Matt Keep
Teresa Keller
Bruce David King
Zena Marshall
Mitchell Minnick
Alex Nguyen
Megan Raynor
Alex Sanchez
Sam Sicard
Jeff Smith
Jim Spears
Sherry Toliver
Rocky Walker
Ulysses C. Washington
Phil White
Whitney Yoder

Terms are indefinite

Merry, seconded by Lorenz, moved acceptance of the appointment nominations. The members all voting aye, the Mayor declared the motion carried.

March 11, 2013 Special Meeting

There being no further business to come before the Board in special session, Merry moved that the meeting adjourn. The motion was seconded by Catsavis and the members all voting aye, the Mayor declared the motion carried, and the special meeting stood adjourned at 9:19 p.m.

APPROVED:

Sandy Sanden

Mayor

ATTEST:

Sherri Gard

City Clerk
