C007559-021926	2/19/2026	Christopher Brooks	Can you provide me with the name of the General Contractor that was issued the building permit for the Next Step project located at 816 S 6th St?
C007566-022026	2/20/2026	Kim Jacobs	Good day, We perform property preservation services on behalf of the investors and were recently assigned the property at 713 HILLSIDE DRIVE FORT SMITH, AR 72908. One of our contractors currently reviewing the property and providing us with bids for work needed advised they received a call from an inspector informing them that the weather-head on the roof was previously damaged due to a fallen tree and that a full rewire would be needed in order for the permit to be approved. They unfortunately did not get the details of the person in order for us to follow up. Could you advise if there are any open violations for this property and if there is any associated documents so that we may address correctly. Please provide us with a copy.
