C007995-040226	4/1/2026	Chris Collins	From: Chris Collins <data@ohmanalytics.com> Sent: Wednesday, April 1, 2026 4:30 AM To: FOIA <foia@fortsmithar.gov>; Deer, Jimmie <deer@FortSmithAR.gov>; monaco@fortsmithar.gov <monaco@fortsmithar.gov> Subject: Public Records Request -- Fort Smith / Arkansas - 02/01/2026 to 03/31/2026 **CAUTION: EXTERNAL-EMAIL This message originated from outside the organization. Please do not click on any links or open attachments unless you recognize the sender and know the content is safe. ** Hi, We are conducting research on solar activity in the U.S. and would like access to the following data for the date range {02/01/2026 to 03/31/2026}: - Issued Residential and Commercial Solar (photovoltaic - PV) permits - Issued Residential and Commercial Energy Storage System permits The following are the important data points: • Permit number • Permit status • Permit address • Contractor • Permit Issue date • Permit Application date • Permit Final / Completion date • Permit type • Permit Sub-type • Permit Valuation • Permit Work description • Storage/Battery Manufacturer Name. If you do not have separate categories for solar or storage, please provide all building and electrical permits. Please note that we do not need the original records nor need scanned copies - just the data that can be produced in excel or CSV format by the software used by your department to track permits and an email receipt is preferred. If possible, please provide the reports in CSV or excel format. NOTE: If there is a portal or website where these monthly reports can be accessed directly, I would greatly appreciate it if you could share the details. Thank you for adding us to your weekly issued permit email list. However, it appears that the emails only include a summary of the permit report. We are looking for the detailed report containing the specific data points you provided to us previously. I have attached a file for your reference; please provide the future data in this same format. Additionally, you can remove us from the weekly summary report email list once this is updated. Thank you for your time and assistance. Stay safe. Best Regards, Chris Collins 900 SE 5th St Suite 22 PMB 1029 Bentonville, AR 72712 data@ohmanalytics.com www.OhmAnalytics.com
