C008418-051126	5/11/2026	Joanna Ross	I was wondering if you had data of the traffic lights. I was in a car wreck May 11th around 4:20ish-4:30ish. On 4622 S 24th St Fort Smith, AR 72901 United States Is the intersection. When I made the left turn I was 100% positive the light was green. Both the yield light and the green arrow. I believe the other person in the accident may have a ran a red light because I was already half way across and it seemed like she just came out of nowhere. If you could please get back to me at joannaross4321@gmail.com or @ 4798314374.

C008452-051426	5/14/2026	Todd Lewis	<p>Todd Lewis Attorney at Law May 14, 2026 VIA EMAIL: jimmie@fortsmithar.gov tyler.eldridge@fortsmithar.gov larry.yancey@hawkins-weir.com Jimmie Johnson Deputy Director of Engineering City of Fort Smith Tyler Elderidge Engineering Department City of Fort Smith Larry E. Yancey, P.E. Hawkins-Weir Engineers, Inc. Re: Project No. 24-15-C1 Race Track Road Water Line Improvements Dear Gentlemen: This law firm represents Goodwin & Goodwin, Inc. ("Goodwin") in regard to issues related to the above-referenced Project. Pursuant to the Arkansas Freedom of Information Request Act, please consider this letter a request for copies of all itemized pricing and bid tabs submitted by each bidder on this Project. We understand that there were a total of five (5) bidders on this Project. This request is for copies of all itemized pricing submitted by each of these bidders, including, but not limited to, Goodwin and Square One Enterprises Corporation ("Square One"). In addition, is our understanding that alleged lowest bidder, Square One, did not have a valid Arkansas contractor's license at the time it submitted its bid on this Project. Please confirm that this was in fact the situation. If so, Goodwin objects to Square One being awarded this Project because Square One was not a qualified bidder at the time of the submission of its bid. Furthermore, to the extent that Square One may now hold a valid contractor's license, this license does not include plumbing work according to the Arkansas Contractors Licensing Board. Because of this, Square One still fails to maintain a valid contractor's license necessary to be qualified for this Project. For this additional reason, Goodwin objects to Square One being awarded this Project. Because Square One was not, and still is not, a qualified bidder, then the Project should be awarded to Goodwin, which was the next lowest, and qualified, bidder.1 Accordingly, this Project should be awarded to Goodwin when Board of Directors for the City of Fort Smith considers this Project at its May 19, 2026, meeting. Should you have any questions regarding the foregoing, please do not hesitate to contact me at your earliest convenience. Sincerely yours, Todd P. Lewis Cc: Goodwin & Goodwin, Inc.</p>
